PETE'S PRATTLE

Hello all and welcome to a new Rotary year for Lakes Entrance.

Our Changeover event on 7 July was a fun-filled, outstanding success with over 60 participants, including our new District Governor Bill, his wife Judy, and our Assistant Governor Tony.

And we were joined by lots of other guest including Rotarians from other Clubs in our Cluster, as well as representatives from other organisations contributing to the work in our Lakes community and beyond.

I thank you all for joining Rotarians and friends to make it such a memorable night. To my colleagues in the Club, I acknowledge your support in appointing the new Club Executive team as they continue the great work undertaken by Jeff and his committee over the last year.

I also want to mention that our Past-President Jeff, and Bruce and I were all humbled to be presented with a Paul Harris Award from our District Governor. To have such an award presented is truly a high honour.

This Bulletin will be short, but only because we are leaving town for a few days and I wanted to connect with you all, however briefly. Future Bulletins will be a little more extensive.

Details of our next few meetings are shown below. I also mention that our Club members have received emails from me recently, seeking help with tree planting in July and August. This important work is part of the bushfire recovery activities being coordinated by the East Gippsland Rotary Fire Aid committee – the team formed from the 5 Rotary Clubs in the East Gippsland Cluster. I ask you all to consider if you can assist.

Stay safe.
Peter
