PETE'S PRATTLE

Great to see so many of us all together at the Sports & Community Club this week, and our thanks go to the Club's management and staff for looking after us so well.

At long last, our township seems to be very active again, with lots of events during January. Despite some restrictions continuing to be in place, we saw the tourist population gathering here again, and some new facilities opened to keep them entertained.

Regrettably, our own Club meetings had to be delayed in January as indoor activities continued to be a concern for Health officials. Also, lack of trained staff in some retail locations placed further restrictions on our ability to get together in a safe environment.

I fully appreciate the frustrations we all felt as planned Rotary activities had to be placed on hold and I thank all our members for their support during late 2021 and January. We all hope that our Club can recover to its normal level of activity, and service to the community.

Our next meeting will see us back again to our usual location at the function room at the **Central Hotel for a partners and friends' night – Wednesday 23 February at 6:00 PM.** In addition, the Board members are scheduled to meet at 5 PM on 23 February.

I have placed some details in the Bulletin, relating to other planned events. Stay well - Peter

CANNI CREEK PICNIC RACES

Thanks to those who have volunteered to help out at the Buchan Cup day at Canni Creek on Saturday. Also, we thank those who have donated goods and memorabilia for the silent auctions on the day.

We appreciate the Buchan & Gelantipy Racing Club's continued support of our Rotary Club, and we encourage Rotarians to come out to the course for a fun day at the picnic races.

THE NOTICEBOARD

TOOLSHED

As part of our recovery effort for bushfire victims, we have been working to establish small tool sheds in remote communities. The sheds are being constructed, thanks to the efforts of Croydon & Montrose Rotary and Drouin Rotary has gathered tools donated by individuals and companies.

We are looking for volunteers to help sort the myriads of donated tools, ready for these communities. Contact Peter if you can help.

DRIVER TRAINING

Some of our members have already been part of the program to help train learner drivers and our Club has donated funds to this cause in the past.

If you are interested to become involved, contact Ian or Peter for more details.

REVEGETATION FOR LANDHOLDERS

We are planning to start work (again) shortly, to further assist in the revegetation of areas that have been impacted by the Black Summer Bushfires.

The intention is that we will work with the local Landcare authorities, along with Rotarians from other areas of Victoria, to help plant trees and shrubs in landholder properties.

A roster is now being developed. Any members interested in helping should contact Peter.

OUR MAJOR SPONSORS

Our Club acknowledges the generous support which continues to be offered by our nine major sponsors.

Their support is crucial to the continued viability of our Club and, as such, they form an important part of our life in Lakes Entrance. For these reasons our members support these sponsors and encourage others to do the same.
