# PETE'S PRATTLE

Hello All

Another fun meeting at the Central Hotel last night, It was great to finally catch up with District Governor Bill Degnan, and his wife Judy, and to hear their thoughts on Rotary and how it operates to the benefit of communities throughout the world.

I received an email from Bill today which thanked us for hosting his visit last night. In part he said, "we always find your club to be very vibrant and hard working for the community". I like to think that these sentiments sum up the way that our Club is seen by the District and our own community.

We enjoyed the company of lots of members, and partners, last night. And a special announcement was made that the Board had been delighted to accept two new members to our Club:

- Don Lazzar, who recently relocated to Lakes with his wife Sandra
- Eileen Dillon, again a new edition to Lakes.

We congratulate both Don and Eileen and look forward to their formal induction shortly.

In addition, a couple of decisions by the Board were announced:

- A further \$500 donation to help the humanitarian cause in Ukraine, in addition to \$500 contributed in February.
- A \$6,000 contribution to Rotary's appeal to assist those impacted by the floods in Queensland and NSW. This donation comes as a joint gift from the five Clubs in the East Gippsland Cluster.

My thanks to that hardy group of members from our Club that ventured to Bairnsdale to sort the myriads of tools for the Tool Shed project. With sorting, allocating, testing and tagging well-advanced, we are now starting to implement the next phase of this long project.

Thanks to all for your ongoing support of our Club.

The Noticeboard below will provide details of lots of activities, including upcoming meetings and some special events that may need your help.

Stay safe, and best wishes to Secretary Sandy and Irene – it will be great to see you free from isolation. Cheers Peter

# THE NOTICEBOARD

Our next meeting will be on **Wednesday 6 April** at **Nick's Restaurant**. This is an informal dinner we have arranged. We meet at 5:45 pm and will need to place our orders by 6:15 pm. Please come along and relax with **members, partners and friends**. Ring Lesley to confirm your attendance.

On **Wednesday 13 April** we are back to the **Lakes Bowls Club** for our annual barefoot bowling night. **Partners and friends** are welcome to the contest, and to the bistro meal afterwards. Again, **Lesley needs to hear from you** if you are attending.

In late April, some members from the Rotary Club of Kerang will visit East Gippsland to help our Cluster to work with Landcare and plant trees. These trees are to help in our program of revegetation following the fires. Work takes place on **Saturday 23 April and Sunday 24 April from 9:00am to 3:30pm**. On **Sunday evening 24 April** we will hold a casual dinner to thank the visitors from Kerang. We need volunteers to assist in the planting, and to attend the dinner. **Please call Peter if you can help.**

Our **Tool Shed project** is about to start the process of delivering 'flatpack' sheds and tools to seven remote communities in East Gippsland. We will also need to assemble the sheds on site.

If you are interested in joining this project, **please call Peter**.

On Page 5 you will find lots more information, including from other Clubs in our Cluster. There are golf days and cinema shows with proceeds to support great Rotary initiatives.

Please consider your support.

Our Club acknowledges the generous support which continues to be offered by our nine major sponsors.
