PRESIDENT SANDY'S SNIPPETS

We had our first formal meeting of the new year at the central hotel on Wednesday night with 30 members and partners present including our immediate PDG Paul and Adele Mee who are holidaying in Lakes Entrance. Our guest speaker Parivesh Kumar, who works at the GLCH as a physiotherapist and pain educator, gave us an excellent talk, and with great enthusiasm, on the complex subject of pain. Thanks to everyone who waited patiently whilst we sorted out our Audio-Visual problems and a special thanks to Bernard who by his sheer athleticism saved the day. It's an advantage being tall!

We had a board meeting prior to the club meeting. A number of proposals were made. One was that we include a toast to another Rotary Club elsewhere in the world or in Australia in addition to toasting Rotary International. This is to emphasise the international nature of Rotary. All members will get the opportunity to do this. This may involve a little bit of research on the Internet to get information on the particular club that the member wishes to toast. Sergeant Graeme started the ball rolling by giving a toast to the Rotary Club of Aberdeen, my home town, and gave us some interesting information on the granite city. He also suggested that the population had increased substantially because I had left to come to Australia 51 years ago! We also decided that we would have no more "negative" fines but replace them with "happy fines" for those who wish to celebrate a particular event. To make up for the loss of revenue from the fines we decided to introduce a "fee" of a gold coin for the privilege of playing heads and tails. When (or if) you pick Joker, you will be amply rewarded. Currently the prize is \$25 this will increase by \$5 every meeting. Graham assured the meeting that the joker is on the board.

During the meeting I mentioned that I would like to get a sausage sizzle slot from Bunnings in Bairnsdale as a fundraiser. The average profit nationally from Bunnings is \$900. They supply lots of the gear needed. Thanks to all those members and partners who indicated that they were willing to man the BBQ if we are successful.

Last Friday evening Peter McCormick and I joined a Zoom meeting initiated by our DG Linda Humphries. Linda intends to run these regularly and the next one will be on Monday 24th July thence 18th August. Topics included Donations In Kind open day on Saturday 19th August, Mardi Shepherd from ARH on a "LIFT THE LID" Zoom to be held on 4th October, Roslyn Tierney ARPIC on a Public Image Zoom on the last Sunday of each month, starting 2pm 30th July, a report from Rob Cook on the recently completed RYLA camp, and Colin Byron on the merger of 9810 and 9820.

On Thursday I was presented with a donation for the club by Ann Daniel on behalf of her husband Bill, an honorary member of our club. Thanks Bill

Our next meeting is on the 26th July and our guest speaker will be Marion Dawson on the subject of Landcare.

Cheers.

Sandy

Our Club acknowledges the generous support which continues to be offered by our ten major sponsors. Their support is crucial to the continued viability of our Club and, as such, they form an important part of our life in Lakes Entrance. For these reasons our members support these sponsors and encourage others to do the same.
