PRESIDENT MIKE'S MONOLOGUE

Great talk last Wednesday from Jenny and Sandra from the She Shed Lakes Entrance and many of us had not even heard of them before the night. It's was fitting that we brought \$100 of tickets towards their raffle and many members also did the same

Sorry if I bored everyone about club roles, but last week was a classic example of us having guest speakers that were not looked after at our meeting. We all need to share the load and spread the work load out between all members. Many years ago we had a roster drawn up that helped to share that load. Bruce and I are looking to reintroduce that system. It will include roles like; Meet & Greet, Vote of Thanks, Invocation, 4 Way Test and Loyal toast, attendance, raffle duties if we have one, property and anything else we come up with at the next Board Meeting.

An example I spoke about was; just because Jeff is treasurer, it doesn't mean that Jeff has to sit at the entrance table for all special meetings. How boring is that! It needs to be part of the roster and everyone takes their turn.

It's all about a team effort and there is not just I in a team!
