PRESIDENT MIKE'S MONOLOGUE

Two meetings down already and over 20 at last weeks meeting. A very good result with so many Rotarians away for winter. How impressive was Georgia with her talk about the Rotary School Awards. Georgia has a bright future ahead and it will be interesting to follow her progress. Next was Catherine explaining all about her art and care for our planet. A very interesting and informative talk with lots of questions following. Credit must go to Arthur for starting the year on a high with guest speakers.

We also held our first Board Meeting and have started dishing out our yet to be raised funds, but I'm very confident that they will start to roll in. Please also note that we have now started our Rotary roster and the plan with this is to spread the work load and to educate our newer members on the Rotary jobs completed each week. If you are unable to complete your given tasks please feel free to swap dates with another Rotarian.

Winter has almost gone and the sun is starting to push through enjoy the sunshine!
