PRESIDENT SANDY'S SNIPPETS

Didn't the Matildas do well this week beating the European Championship team from Denmark as did the Navy Blues in a real thriller against the Saints. Not only that but Scotland beat France in the Rugby union game at Murrayfield, I'm sure our RI President Gordon McInalley would be happy about that. Next week Irene and I head off to France and the UK to catch up with the rellies and attend a Reunion of my shipmates from the British India Steam Navigation Company which I left in 1972. Past Presidents Peter and Ian have very kindly offered/ volunteered to stand in for me for the four formal meetings scheduled whilst we are away.

On the 2nd of August 12 members and partners attended a social dinner at Nicks Restaurant. A very enjoyable evening with good food and plenty of craic to be sure.

Tonight we had a succesful meeting and barbeque at the Lake Tyers Beach Fishing Club. We were able to secure this venue at short notice when the Central Hotel realised that they had a double booking. It was a very pleasant evening with lots of fine food. Sergeant Graeme did an excellent job with happy fines and heads and tails. Joy's chocolate cake with raspberries and cream was very popular, thank you Joy and also to those members who helped to clean up afterwards. Thanks also for all your kind wishes for our "long service leave" trip. (I first joined Rotary 30 years ago with the Fern Tree Gully Club.)

We will miss your friendship and camaraderie but in the words of Arnold "I'LL BE BACK"

Cheers. Sandy

BON VOYAGE SANDY & IRENE

Off to Europe for a well-earned break and back with lots of stories to tell – travel safe and see you both back in October.

OUR NEXT MEETING

Our next meeting is on 23 August at the Central Hotel.

We host Carl Turney, an American in his youth, has more recently moved to Australia and, in his own words, “will spend the rest of his life here.”

Carl has worked in many positions in his varied career as a serviceman, in hospital care, and later in a number of roles in the corporate world.

We look forward to hearing from Carl on his subject – ‘Our standard of living: How's Australia doing?’

WHAT’S ON FOR LAKES

Lots of activities in our program, all of which are shown later in the Bulletin. Some very special events are highlighted:

- 27 September – Our Footy Night at the Wyanga Park Winery – don’t forget to wear your favourite colours.
- 25 October – Our Club’s AGM at the Central Hotel – to consider our new draft Constitution.
- 6 November (Monday) – Melbourne Cup Eve at the Belle Vue – we need lots of items for silent auctions.
- 22 November – A visit from District Governor, Linda Humphries – a chance to hear of future plans for the wider Rotary.
- 13 December – Our Club’s Christmas Party at the Wyanga Park Winery – a favourite time for the Club.
- 10 February (Saturday) – Buchan Cup Day at Canini Creek – as always, we will again support this annual event.
- 26 June – Club Changeover at the Central Hotel – to start a new Rotary year.

PLUS, PLUS, PLUS

- We are liaising with District to arrange a briefing to all Club members on recent changes to ‘Working With Children’ rules and legislation.
- We are ‘on the list’ to manage a Bunnings Sausage Sizzle – date TBA.

WHAT'S ON IN THE CLUSTER

Recently we invited the Presidents of the Clubs in our Cluster, to a meeting to talk about joint activities.

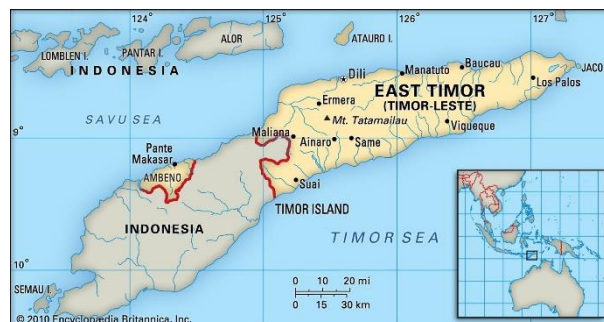

We agreed it would be great to have a Cluster Christmas function again this year. We are now looking to identify a venue to house the event.

In addition, we discussed the prospect of a joint Cluster-wide function to raise funds for great Rotary projects.

We will talk further as progress is made.

We also discussed the prospect of Cluster-wide support for some projects already underway:

- We will look to expand interest in our Timor Leste program by presenting to other Clubs in Bairnsdale. Our most recent briefing from Timor Leste includes confirmation of completed works achieved by the support of Australian Rotary Clubs. In the east, 62 Galvanized 5,500 Litre Water Tanks have now been installed and 7 three cubicle School Toilets have now been constructed.

- A Sunrise request to donate to funds for a young lady to travel to US, to undertake further University studies on ways to improve basic healthcare treatment and prevent illness and disease. Sunrise is seeking funds under the Rotary Global Scholarship scheme. Our Club funds are scarce at this time of year and further consideration may follow later. In the meantime, a donation of \$200 has been approved by our Board.
- A Sunrise request in support of a conference of Rural and Regional Community Health authorities, including GLCH. The conference in October, is aimed at initiatives to improve Government support for health services in areas beyond the Melbourne metropolitan area. Again, our available funds are limited at this time of year. The Board has approved a donation of \$200.

Our Club acknowledges the generous support which continues to be offered by our ten major sponsors. Their support is crucial to the continued viability of our Club and, as such, they form an important part of our life in Lakes Entrance. For these reasons our members support these sponsors and encourage others to do the same.
