Vaughan Fox Immediate Past President Rosemary Allica Club Administration Director & President Elect Lyn Bennett-Colls Secretary Andrew Lewis Treasurer Ian Holdsworth Club Community Services Director Chris Morris Youth Director Andrea Klindworth Vocational Director Diane Carson International Director Richard Habgood Publicity / Social Media Person.

It was with much pleasure and great enthusiasm on 7th July 2018, I took the gong, gavel, along with the collar of office from Immediate Past President, Vaughan Fox.

I shall take this opportunity to thank Vaughan for his wise council and the times that we shared together discussing circumstances and looking to achieve better outcomes on behalf of our club.

Vaughan had done a wonderful role of managing the Club during his term 2017 ~ 2018.

At the start of my President Elect (PE) year, 2017 / 2018, my role and aim were to absorbed as much information about how Rotary functions; and it soon became evident that there was much to learn.

I structured my presidential effort into guiding the club in the direction that the members wanted to go and not have any set agenda for myself; this was my role to support my Secretary, Treasurer and the club Directors.

Early on in my year I made the statement that I believed the club members were tired and that although they managed the work extremely well, I did not observe too many enjoying themselves socially.

On the changeover evening, and in my Change Over preamble, I announced that I would take it upon myself to organise several social outings, and took step to arrange some interclub visits with our neighbouring Rotary Clubs.

The Club visits that we arranged were to were Drouin, then the Moe club and finally we went to the Morwell club.

On our social agenda, we visited the Ripplebrook Winery, thus having a pleasant Sunday afternoon, a little later in the year we attended the movies and saw "Bohemian Rhapodosy" and the third social outing was a car drive and adventure outing, on this occasion the day concluded at the Darnum Hotel for a nice meal, and presentation of social outing winners.

As I hand over the club's charter certificate, collar of office, and the original Presidents pin and official badge, to incoming President, Rosemary Allica, I know that Rosemary has some plans to take the club forward into the next phase of club's development. I believe that our club s ready for some changes and gear ourselves for a new format that may endear us to the Warragul community. To my Board this past year, you have all contributed and have worked well with the sub committees under your Directorships, I thank you all.

I would like to congratulate you on being prepared to accept the changed business format and have the reporting procedure altered to ensure we gave sufficient time to the important general business portion of the agenda.

Another decision that we made as a board was that each position on the Board was to spend some time and do a duties statement that can be used by future board members should they wish they can refer to what we as a Board found helpful and give guidance for them as they wish.

I therefore submit my duties statement for future Presidents and I trust that they find my experience helpful to them in their year as the leader of our Rotary Club of Warragul.

With the support from my Board and the Club members, I have enjoyed my year and although there have been challenges, I would recommend to any member to set aside a year or two and serve on the board and if given the opportunity to be the Club President then take the step forward.

I have been proud to have served the Rotary Club of Warragul as its 80th President.

There are many people to thank from our board to some energetic individual Rotarians. To my Board, Directors and sub committees, I thank you all for the work that you have done on behalf of the club.

To our growing list of the Friends of Rotary (FOR), thank you for your continued support of our Club.

I shall leave some of the thanks for our Change Over afternoon on Sunday the 30<sup>th</sup> June.

In closing a special Thank you for the pleasure of being Rotary Club of Warragul President 2018 / 2019, in the Clubs 80<sup>th</sup> year, (Chartered 13/7/1938).

#### ROTARY CLUB of WARRAGUL PRESIDENT DUTIES STATEMENT 2018 / 2019.

Before I started my year as Rotary Club President, I gave a lot of thought as to where I believed the Club was at. I came to the realization that we as a club worked so hard on all our projects and most gave their all; but the fun factor was not there.

I did not have a "President's project as some have had in past years , and I focused on supporting my Directors in whatever they wanted to do.

The Directors who are the power engines of our club have a big influence on the direction the club takes in each year.

So, what did I do, and what were my duties as the Club President?

Firstly, give all my support to each of my Directors; attend where appropriate all subcommittee meetings.

To chair all weekly meetings; and to chair all board meeting.

To ensure that a meeting place for the board meeting has been arranged in advance. To attend the district conference and other district functions including the district AGM. Represent the Club at District Cluster meetings as arranged by our Assist Governors (AGs).

And to attend all District and Multi district training avenues and all special daily training seminars.

To represent the club at functions as invited as example Probus AGM meetings, Inner wheel functions, information sessions at the shire offices, and other, that required our club to represented.

I continued the established practice to write a Presidents message for our weekly journal, assist the Editor with information concerning what our program committee had set for future meetings.

I took it upon myself to contact the local newspaper and submit a "RC Warragul Monthly club notes" segment.

I also acted as Club catering liaison person, between the Warragul Country Club taking apologies and ensuring the venue (Warragul Country Club) were aware of how many were attending and what dietary requirements were expected; this also entailed selecting the menu choices.

I marked up the attendance sheet and passed onto PP Geoff Chilver for printing and delivering to our meeting place each week; Geoff then would ensure that our rooster persons had a list of who was attending so that appropriate number checking was recorded and then entered on the Rotary website.

I attempted to manage the roster for Meet and Greet and Duty person for collecting dinner payments.

The meeting flags, banners, and other Rotary items are displayed for the meeting (assisted in this role by Jim Harper & Roger Cols) and then placed into the equipment storage box, for the WCC staff to store in their equipment storage room.

To ensure that all members were given the opportunity to be fully informed I started an information folder, that was circulated around the club dinner tables at each meeting; I kept the folder up to date with all International, District and letters to and from our club to important organisations.

I cannot stress that importance in working with your board and I have been most fortunate with my Directors, Secretary, and Treasurer.

Thank you all, the role is one I would recommend to any aspiring Rotarian, the effort is well rewarded in seeing that the club maintains its position and standard within the community.

#### I shall take this opportunity to offer my thoughts for the Club into the future:

Presently the club meets weekly with only the 5<sup>th</sup> Tuesday of the month being a non meeting date.

Some considerations have been spoken about and I would suggest a trial be put to the club, that we meet formally only twice a month being weeks 1 and 3, that we maintain the 5<sup>th</sup> Tuesday as a non-meeting circumstance.

That the Bulletin be only produced after the formal meeting evenings; that a Social Director be appointed as a board position and that Interclub Visits, and at least 2 other social events be conducted each Rotary year., these events should not necessarily be with a Rotary flavour.

A finally, that the club have an evening where the only business is about membership and the plan developed, and the plan, have people nominated and mentors allocated to carry out the process of Gathering new members or even re engaging older members.

#### International Services – Annual Report

#### Submitted by Director Diane Carson

During the 2018-2019 year the International Committee has once again busy with its efforts in Vanuatu.

After successfully applying for a District Grant, and with the generous assistance of a corporate donation, we were able to fund sending a container of medical and educational assistance to Vanuatu through Donations in Kind.

As a result, Port Vila Central Hospital received an examination table, which had been donated by the Latrobe Regional Hospital, and a much-needed maternity delivery bed, along with bassinettes, drip stands, linen, stethoscopes and various consumable medical goods (bandages, dressings and the like). In addition, the Warragul Uniting Church donated baby clothes and knitted care bears.

The Rongdal School at Eton was the recipient of 70 primary school desks and chairs and other educational equipment – books, stationery etc.

Diane Carson and Anthea Dacy, along with President Ross Dawson and Tony Carson travelled to Port Vila during August along with members from the Warragul Uniting Church, they were joined by members of the Rotary Club of Port Vila and some of the Nivan Seasonal workers who had returned home. In an enormous collective effort over the period of four weeks, the group scrubbed, and painted the entire paediatric ward at Port Vila Central Hospital. Once the painting was complete, we placed colourful decals and bed numbers on the walls and replaced the curtains in the treatment room. In a surprise visit, sailors from an Australian Navy Patrol boat that was visiting Port Vila, arrived and helped us by reorganising the play room.

The paint for the project was donated by AusAid, as we were unable to arrange the paint to be shipped from Australia due to concerns that it would rupture inside the container and spoil the other contents, this was a considerable cost saving to the project.

Although the container arrived while we were in country, it was a much more difficult exercise to have it released than it was with the one that we had sent the year before. Instead of one customs exemption we had to secure customs exemptions for each item, which meant that the Department of Education had to sign off what it considered to be educational supplies and the Department of Health had to sign off the medical contents. In the end, some items were not approved by either department (eg. basketballs and hoops were not considered to be educational) and so we paid customs duty on the rest – but this was quite minimal.

We enjoyed considerable press coverage in Vanuatu – Port Vila Rotary submitted stories to the newspaper and Anthea was interviewed on local radio. As we took breaks and had coffee in town, often in our paint covered clothes, people stopped and thanked us. It was a humbling experience.

#### **Youth Exchange:**

July 2018 saw the departure of our 2017/2018 exchange student Charlotte Nagel. Charlotte made a lot of friends here in Warragul and it was sad to see her leave. BUT WAIT there's more Charlotte, with her Mum Silke and Dad Michael, came back to visit in April this year. She did her school work experience with Gippsland Travel and the Community House. Because of State Government regulations and new compliance and audit issues the exchange program was suspended for the year 2018/2019. The 2019/2020 year will see Martina Navarria from Northern Italy arrive in early July. At the time of writing nearly all the paper work has been completed to allow her year long stay. Two possible outbound students for the 2020 year have already been interviewed.

#### **National Youth Science Forum:**

In May 2018 Warragul Regional College year 11 student Kelsey Lubberink was

student Kelsey Lubberink was nominated by the R C Warragul to participate in the National Youth Science Forum program held in February 2019. The program is open to students with an interest in Science, Technology, Engineering and Maths. Kelsey's nomination was successful after District interviews and she attended the Brisbane University Campus in January 2019 for the 12 day program. Kelsey related her exciting experiences to the club in a wonderful presentation in April.

Model United Nations Assembly (MUNA):

Two students from Drouin Secondary College were sponsored to take part in MUNA 2019. Emily Little and Taylah Cunningham travelled to Phillip Island for the assembly on the 17<sup>th</sup> to 19<sup>th</sup> May 2019. The program sets up "delegations" that are involved in discussions, motions and debates about world issues on exactly the same format as the United Nations.

#### Year 10/11 Bursaries:

Once again, the Rotary Club of Warragul awarded student bursaries to a student from each of the three Warragul based secondary schools.

The award is given to a student that the club's youth director and the year 10/11 school coordinator think has not only been a conscientious student, but one who has taken an active role in the school community or the broader community.

The recipients this year were; Georgia Bransgrove from the Regional College and Flynn Lockett from Marist Sion.

#### White Ribbon Day:

The Rotary Club of Warragul supported the Baw Baw Shire and Victorian Police initiative which is an active campaign against violence against women and children. Several speakers gave presentations at the Arts Centre. Our club supplied a BBQ for the participants, in support of the initiative.

#### **Rotary Youth Program of Enrichment (RYPEN):**

Warragul actively seeks candidates for this excellent Rotary program. Unfortunately, we could not find a suitable student who was willing to attend. It is, however, an ongoing program that is supported by the Rotary Club of Warragul

#### **Graffiti Arts Project:**

Through Teresa Mitchell we have been investigating support for the creation of one or more graffiti walls in the town precincts of Warragul. This is an ongoing project that may get off the ground in the 2019/2020 year.

#### Xmas Tree Project.

This was again our Clubs main income earner for the year. This year we saw 980 Trees harvested, with a gross income of \$40750.00 and expenses of \$10500.00, the expenses which includes, Sprays, Rent \$2000, Purchase of seedlings, fertiliser; cost of having contractor for cutting, Warragul secondary school, and Scouts, for Planting and harvesting, Hanna Farnham for sales at BP Service Station in Brandy Creek Rd.

This year we purchased a New Electric Chainsaw at a Cost of \$300.00, this was half the retail price from VC Traders. We have approx. 500 trees left at Landsborough Rd Site; the remainder of the site has been cleared, and sown down.

John and Gloria Castle (Jana contractors), came in at No Cost to our club, Removed stumps, and prepared the site for sowing of grass seed, which they supplied. We purchased a Xmas Hamper for them in Appreciation.

Rotarian Chris Wilkinson was a great help again this year with his Excavator and Levelling machine removing the old stumps, this year Chris was assisted by Gippy Tree Services, Luke and Kelly Sheppard.

Rob Tylee also helped us restack and sort out the Burning of the big piles of stumps that were too big to burn this enabled us to carry out the burn according to the burning regulations.

Christmas Tree harvest time, oh! Look who got into the spirit of the harvest activity!

A note for future burns are that the piles are now to be no bigger than 3 meters square, contain no green material, no smoke to go onto roadways or neighbouring properties; and the CFA to be notified on 1800668511 to register burn.

No Burning on fire restrictions days. We planted 1000 more trees at Gulwarra Heights site this year. All of our trees will be Grown at Gulwarra site now. After we harvest the remaining trees at Landsborough Rd in 2020.

Special Thankyou to John Gallienne, Richard Habgood, Frank Bevis, for their Professional, Guidance and management in this important project.

The Warragul Rotary Club members were very Keen at the working Bees throughout the year.

#### **Rotary Art Show Sub Committee**

Job Well Done Art Show. This is our most Glamorous event of the Year, Bringing together Local Business, Artists, and General Public, the committee have gained support from local and Melbourne as well as International areas.

We Held this years Art Show In the Exhibition Buildings at the Show Grounds in Warragul. We had good entries again this year with Approx. 300 works of Art & Craft, which was Hung with the Art Alliance of Gippsland artist experience and expertise.

The main art prize going to a Chinese Artist. with many local winners as well; the Catering was done by locals again, with Absolutely Fabulous Food, and Press Cellars, who do a wonderful job, supplying and serving from the temporary bar.

This year \$21500 was collected from local Business for Sponsorships and donations; the raffle raised \$6500' with the Warragul Specialist school being the recipient of the raffle proceeds.

#### Our 2018 Rotary Art Show Committee

Photograph from LHS to right are Andrew Lewis, Bob Lewis Chairperson, Lyn Bennet Cols, Roger Cols, Ian Snape, Anita \*\*\*, and Pat O'Brien.

This year 35 Paintings were sold at our show, making the proceeds from the Art and Craft was \$17000.

This years Art Show saw Bob Lewis as Chairman Bob has been sub committee chairperson for many years and has continued to guide his team, we thank him for his wonderful work with the Art Show, Bob has had a great team among them Richard Willis Treasurer, Ian Snape, Andrew Lewis, Lyn and Roger Colls, and Pat O'Brien, you have all done a Terrific Job managing with the change in venue, while the Art Centre was in redevelopment.

In regard to the Art Centre development, we remain in contact with them, and on good terms, and our club have Donated \$5000 to the redevelopment of the Centre. We have the naming rights to an upstairs Area of the newly developed centre. One day we may return

to the Art Centre for our Show. Our Rotary Club was very much involved in the show with sponsors and the Raffle, which puts us out there.

We had ongoing involvement from Scouts and Warragul Regional College, and the Art Alliance.

#### **Probus Project**

Probus is still very strong in this area, with 3 very active Clubs in Warragul, all with waiting lists, and many activities happening all the time; they include, Caravan groups, Gardening, Walking, share trading, day trips and the list goes on. The Probus Clubs look after themselves with meetings once a month. This Probus outreach is a n ongoing tribute to Rotarian Bob Lewis.

#### **Breathometer Project.**

The club have 4 machines which we own, from a grant from Vic Roads, \$24000 Approx., These machines break down on average, once a year. And now have become a breake-ven situation.

My suggestion is to look at ways to get out of this project. We still have 5 machines which we still do in partnership with Breathometer, which make \$100 per year which we share 50/50 with them. Farm World, we had 4 days at Farm World this year, involving 8 shifts, of 7 Rotarians and Inner Wheel personal per shift. We had 4 perfect Days of sunshine. Raised \$5300 for the project, Was a big commitment from Rotary and InnerWheel. It is busy at times and a good project to get exposure for our club, A good experience of how business is run from the Big end of town, Farm World had 60000 people at the 4 days, with the carparks full, Exhibitors at record levels. Thank you to Ross Dawson for doing the Roster, and all who attended the event. School Breakfast Club. This was to be a 3 x month a year project , but became a full year project now with a new Chaplain in charge, the new Chaplain has now left, and some new people have been helping out. We will be stopping that project from now, because we can't get volunteers for 7-30 am start. That is my opinion until it is discussed at board level. Ian Holdsworth.

#### Spirit of Warragul Steam Engine.

Because of all the works going on with the Level crossings and station upgrades, the Steam engine, coming to Warragul is too difficult to organize. Will be happening when the work finishes in the next year or so.

#### Snow Fest.

Was a huge success with 10000 people attending this year .Thanks to Peter Dell, Suzie Warenycia Teresa Mitchell, and their team of Rotarians and Committee from Warragul, There were many food stands, Toboggan rides, Snow activities, for all to enjoy. Community garden Light Parade winter fest. Was held in June, we had our BBQ fired up, 1000 or more people turned up for a Bon Fire which we Built. And light parade around the Oval at Eastern Park.

#### White Ribbon Day at Civic Park,

In November, and in partnership with Vic Police and Baw Baw Shire. We held a sausage sizzle on a cold wet day. Was moved indoors with several guest speakers and stalls with give always. Was well attended. Bandstand Civic park. This Infrastructure was built and donated to the Community by Warragul Rotary Club about 10 years ago, was getting a bit tired looking this year ,when a member of the community saw fit to let a stolen car run down the hill from the top of civic garden, Un manned, The car ran through the Bandstand up the steps through the floor, and took out the rear post which was repaired and replaced, We negotiated with the Shire, and the whole area has now been repainted and restored to its new condition.

#### Landsborough Street Pine Plantation Rehabilitation

The final harvest of pine trees from this site will occur in December 2020. Ownership of the land resides with the Baw Baw Shire Council, and the Club has approached council with a proposal to form a partnership for redevelopment of the site. The club discussed and endorsed the potential for the site to be developed for passive community recreation. A project scope was presented to council and a budget submission made.

#### End Trachoma by 2020.

Initiated by the Rotary Club of Melbourne, the goal to End Trachoma by 2020, aims to unite Rotary clubs across Australia, inworking towards eliminating trachoma by preventing the spread of infection that causes avoidable blindness in indigenous communities. Our district has been very generous in donations towards face washers for each child at school, mirrors placed in homes, community laundries, safe housing, health programs etc. I have visited Orbost, Traralgon Central Dandenong, Casey, Korumburra, Drouin, Hazelwood, Bairnsdale, Bairnsdale Sunrise, Traralgon, Langwarrin, Peninsula Rotaract, Seaford -Carrum Downs, Morwell, District Assemblies and Avenues of Service. Attended a Close the Gap for Vision conference in Alice Springs-have made some important connections to continue not only the Trachoma project but there are other opportunities for our Rotary district to do worthwhile projects.

#### **Club Administration – Annual Report**

#### Submitted by Director: Rosemary Allica

The Club Administration team has worked closely together to ensure that the club operates effectively and efficiently during the 2018 – 2019 year.

The Membership team has worked on developing members understanding of activity working on membership. Several of the team attended a District membership forum and then held several workshops with the club, a draft membership plan with three objectives was developed. The plan included inviting non-Rotary people to get to know what Rotary is about, to have at least 5 new members each year and to retain current members. A number of actions under each objective were agreed and implemented begun. Several of the actions have already been implemented and our goal is to increase our overall membership.

An evening with our Lady Rotarians

#### Photograph from left: New member Tony Carson , Di Carson, President Ross and Mentor Ormond Pearson.

The Program team, led by Sunil Bhatt, has been very diligent and ensured that we had a variety of activities and speakers throughout the year. The program has been planned several months in advance with flexibility for change if needed. The Rotary Club of Warragul members have been very active this year in District activities too. Included in our activities was attendance at a number of District activities: The Multidistrict Conference, the Membership Forum, Leadership Training Program and the District Avenues of Service.

Thanks to Ross Dawson, the club members had a number of opportunities to take part in some social occasions. Included in the activities was a visit to Ripplebrook winery, a joint evening with Drouin Rotary, a movie outing and a car rally. The events gave members time to relax and enjoy each other's company.

Richard Habgood ensured that the communication both within the club and between the club and the public increased over the year. Thanks to Richard, the Communication Plan was developed and implemented. This year, there have been more posts on Facebook, an increase in the number of press releases and some regular club notes published in the Warragul Gazette and our website was renewed too. Separate social media for our Art Show and Christmas Trees has also helped to get the word out into the public.

Secretary Lyn competently kept all records organised and accessible this year. Lyn had a busy year, covering all Board meeting agendas and minutes, implementing follow up actions, recording and reporting on all incoming and outgoing correspondence and ensuring that our records were kept up to date.

Treasurer Andrew was very efficient and ensured that our banking, financial transactions and records were on track each month and across the whole year.

Sergeant Jenny Kitchen did a great job as sergeant and delivered some fun fine sessions.

Our weekly bulletin was competently and regularly produced each week by Robert Dunlop, ensuring that club members had a written reference to our schedule and some reflections on our activities.

The front desk roster and welcome continues to be a lovely way to make members and guests welcome each week.

My thanks to all the members of the Administration team for your commitment and diligent organization to ensure that our club members have fun, have variety and enjoy learning about Rotary.

#### Vocational Services

Throughout the year members shared their vocations, through inter club visits, new member talks, an awards night and a fund-raising dinner.

#### Inter Club Visits

Throughout the year the Warragul Rotary Club shared fellowship with other clubs in District 9820. The Drouin, Morwell and Moe Clubs welcomed our members to their meetings.

#### New Members

Ormond Pearson sponsored Tony Carson into the Club. He was inducted into the club on 28 August with the classification of counsellor.

Tony has broad vocational experience working his way through the ranks in the Victorian Tram Network before moving into counselling. Working for local government he assisted people to find accommodation before employment as a corrections officer in the prison system.

Tony has a passion for trains, in particular, steam trains. He has many anecdotes to share from epic train travels in Africa to reviving local historic train trips. Tony was the general manager of the Walhalla Railway for seven years.

#### Annual Business Fund Raising Dinner

In April, the successful business dinner raised funds to support the Neerim District Health Services.

Almost one hundred people attended the dinner, a joint meeting with the Warragul Business Group. Guest speakers Victoria Chantra, and Allan Klindworth of AECOM spoke on building business resilience to weather related incidents such as extreme heat, storms, fires and floods.

Many thanks to Gippsland Travel and Susie's Fine Jewellery for donating door prizes.

#### **Excellence in Small Business Awards**

The award night held in June enabled members to acknowledge local small businesses that they believe demonstrate outstanding examples of their vocation.

This year the following businesses were nominated.

- Chris Ayres Plumbing
- Baw Baw Food Relief
- Body Evolution Personal Training
- First National Real Estate Warragul
- Peter Thomson Master Builder
- RACV Warragul
- The Plaza Café
- Warragul Computer Repair
- Warragul Hire and Drive'

Mark Schramm, acting CEO of the Victorian Small Business Commission, spoke on the night before certificates of recognition were presented.

#### Submitted by Publicity Rotarian, Richard Habgood PP

The club continues to get good coverage of club activities with regular articles and photos in our local newspaper the Warragul Gazette. A new initiative of the president Ross Dawson has been to regularly update our community with a monthly contribution of club activities in the *Club Notes* section of the Warragul Gazette.

The club also has a comprehensive on-line presence with a club website and a Facebook page with regular postings to promote club activities. Specific Facebook pages are also used to promote the club's annual art show and the sale of Christmas trees. A weekly club newsletter is produced to keep club members informed of ongoing club activities.
