

PLEASE PLEDGE OR DONATE NOW

Pledge now to the Global Grant coordinated by Rotary Club of Weymouth to benefit Safe Passage Curriculum Development and Methodology, an educational plan with a Vision of Success for the children living at and around the Guatemala City Dump. Participating in this grant will not only light up the lives of 550 children but also the lives of generations to come, breaking the cycle of poverty. Safe Passage is a 501c3 organization.

Together, we can make a difference. Your generosity is greatly appreciated.

Pledges from Rotary Clubs and Rotarians in District 7950 will be matched by the Rotary Foundation and will qualify for Paul Harris Credits. In addition, pledges from District 7950 members will be matched by their district up to \$10,000.
