Pres Jim: we have a very exciting evening. Pres Jim is very happy to induct two new Rotarians into our club this evening as well as having the honor to induct the new officers and directors of the Interact Club. Pres Jim's goal is to have our young Rotarians more involved with our club. Jim extended an invitation for all young Rotarians and their parents to visit our club any time and participate in our projects.

Dave Hicks: food drive is now **November 3** and we need people to sign up for a shift.

Brian Haggerty and Gary Rayberg on Rotary Foundation: **Rotary Foundation Dinner is November 15** at Rosebrook event center in Wareham. There are great speakers. Club pays for attendance. Lois has arranged for a bus leaving from Joe Clancy's at 4:30 pm. We have two tables. Contact Lois to sign up for the bus.

Paulette Boudrot on Rotary Leadership Institute: welcome all Interact people— our future leaders. Thank you for being here. RLI is offered in 3 parts. Many of our club members have participated. The Institute prepares Rotarians for leadership roles. RI suggests all new members attend RLI. The first session will be in Enfield Ct. not far from here. There are many sessions offered in the area. Go to RLINEA.org to register for a session near you.

November 10 is the District Nuts and Bolts meeting at Whites of Westport. Session is 8am to 2:30pm. Topics covered include: club membership; foundation info about grants at all levels; How to use club runner; Public relations and social media; and a session on Polio.

PRESIDENT JIM GUSTAFSON HONORED TO INDUCT TWO NEW ROTARIANS AND INTERACT CLUB OFFICERS AND DIRECTORS.

Congratulations to our new Rotarians, Eric Sugrue and Tim Cronin.

Helen Blowers and Dave Northup program chairs, presented the induction of the Weymouth High School Interact Club Officers and Directors. Dave and Helen have cochaired this committee for a couple years. The Interact Club is 20 years old this year. It was started by Noreen Cary Neville. Helen's predecessor is Bob Petrelli who chaired the committee for many years. Helen's trips to Guatemala were instrumental in leading to her taking on the chair of Interact Club committee. Getting to know the Interact members who volunteered during these trips were awesome.

Jay Walker: Past President: Happy to be here to induct these Interact officers and directors. Acknowledged all the projects Interact members have completed. Past Pres Jay presented a significant achievement award to members of Rotaract Club. Congratulation to all of you!

President Jim inducted the Interact Club officers and directors.

 George Raymond & Alden Blaho

Happy Bucks

Lois Drukman: while mowing lawn a week ago, it got caught up on the fire hydrant. A police officer arrived and said someone called 911 because she was having a heart attack. Lois looked up to see a fire engine, three police officers and an emergency vehicle who had been quietly hovering. Once they realized Lois was fine and they had their chuckle, the muscular firemen extricated her lawn mower. Engine 1 rocks!

Brian Haggerty: a lot to be happy for tonight! His son got married last week. It was an awesome time. His high school reunion was last week. He won 27 bottles of wine in a raffle. The Interact kids are here tonight. Lois is organizing the bus for the Foundation dinner. Brian is going to Guatemala in two weeks and he is looking forward to the trip. He will be attending a graduation ceremony. Very awesome.

T Riz: already took 13 bottles of Brian's wine. Welcome young Rotarians and parents. We need your platelets.

Dan Walsh: used a gift certificate from MOM to rent a Bike for a gorgeous Friday ride. He rented a helmet to go with the bike. Did not work so had to turn it in. Got as far as Gardner and it was cold so he bought a sweater. Got to Amherst and it was freezing so he bought some gloves. By the time he got back to Foxboro he had a whole new outfit.
