

## About Rotary Club of Tacoma #8

Tacoma Rotary #8 is the 8<sup>th</sup> oldest Rotary club in the world and was established in 1910. Our meetings are held on Thursday at Noon at the La Quinta in Tacoma and broadcast online via Zoom.

Many people join Rotary as a means of "paying back" for the professional success they have achieved; they are looking for ways to help others. When you join Rotary, you play a role in helping the club achieve its community and worldwide goals. This is done both through involvement in projects and financial support.

Rotary is a service club. Its product is serving. Rotarians provide community service to both local and international communities. This is perhaps the best reason for becoming a Rotarian: the chance to do something for somebody else and to sense the self-fulfillment that comes in the process and the return of that satisfaction to one's own life. It is richly rewarding.

Rotary Club membership is a great way to mix with community leaders from all walks of life and to hear outstanding speakers each week. We also have an annual program honoring a non-Rotarian resident who best exemplifies the Rotary ideal of "Service Above Self."

Rotarians build goodwill and peace, provide humanitarian service and encourage high ethical standards in all vocations.

The primary purpose of Rotary membership is to provide each member with a unique opportunity to serve others, and not for personal profit or special privileges.
