## INVITATION

UNIENDO AMERICA – GUATEMALA is pleased to invite you and Rotarians of your clubs and district, to attend our 17<sup>th</sup> Annual Rotary Central America Project Fair to be held at the Santo Domingo Hotel, Antigua, Guatemala, beginning on January 28, 2010.

As has become customary, Thursday, January 28<sup>th</sup>, will be dedicated to an all-day meeting of the micro-credit group and the RAGM committee. The people invited to participate in this meeting are those of us who are involved in micro-credit programs administered by Rotary clubs or districts or by related organizations utilizing Rotary funds for extending loans to groups of beneficiaries.

The Project Fair itself will be inaugurated on Thursday evening, January 28<sup>th</sup>, at 7:30pm with a brief ceremony and wine, cheese and “boquitas” (finger foods) and the serious work will begin at 9:00am on Friday morning with the opening of the booths.

This is a unique opportunity for North American clubs and districts – irregardless of whether they are in the Future Vision plan or not – to establish contacts with Rotary clubs from Central America. Of our two Central American districts #4250 (Guatemala, Belize, Honduras) is among the selected districts in the Future Vision Plan, while

District 4240 – El Salvador, Nicaragua, Costa Rica and Panama, is not. Nevertheless the contacts established during a Project Fair are of great importance to both donors and beneficiaries, and we look forward to receiving a good number of visitors who are willing to strengthen ties with Rotarians of this area who are feeling the pinch of the economic crisis. With a minimum of assistance our Rotarians of Central America can contribute much to recovery and economic development in the immediate future.

In Rotary, Juan Forster, Coordinator, Uniendo America Guatemala and member of the East Guatemala Rotary Club.
