

SUBURBAN ROTARY CLUB / OMAHA
SCHOLARSHIP SERVICE PROGRAM

The main objective of Rotary is service in the community, the workplace, and throughout the world. The Suburban Rotary Club has chosen as its main community service, the awarding of scholarships to those graduating seniors who have special needs and wish to continue their education.

This program was embraced by Suburban Rotary some 36 years ago and continues today, stronger than ever in helping young people achieve their higher educational goals.

The following is a statistical history of Suburban Rotary's efforts:

I. Suburban Rotary Partnership with University of Nebraska at Omaha

Thirty-two (32) scholarships were awarded through a UNO Alumni Committee between 1978-1994. The scholarships were awarded twice a year, one in December and one in May.

It should be noted, that the UNO scholarships were not awarded by the Suburban Rotary Committees. Consequently, no information is available as to criteria for selection, student profiles, names, renewal versus first awards, etc. This program was discontinued at the end of 1994.

III. Area High School Scholarships – Awarded Directly by Suburban Rotary.

These one-year primary scholarships were started in 1995 and continue today. During this period, 404 scholarships have been awarded.
