Thank you to Amy, Brad, Denise, Donna, Jeremy, Laura, Margaret, Nancy, Pamela, Sam, Shonna, Susan, Tony, and Vince for sending in vacation photos and telling your vacation stories.

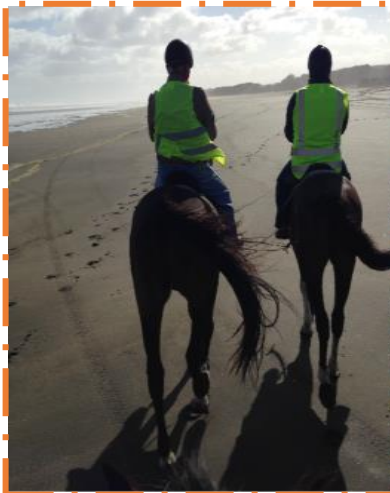

Zamy on the way to Brazil for the Rotary International Convention.

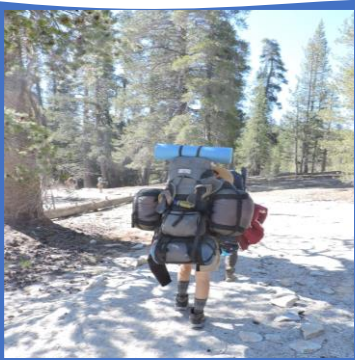

Brad with his daughter while on a camping trip on his 10- year anniversary with Angie.

Denise's picture from her travels abroad.

Donna and Jim horseback riding on the black sand beach in Auckland, New Zealand; a glass of wine at Lake Tahoe; a ski trip where Jim fell and broke his shoulder on the first day.

Jeremy: I've had a dream of taking the kids backpacking up in the High Sierra. The views and the lakes up there are something you just can't find anywhere else. So, the best part of vacation was getting the whole family to Weaver Lake, where the kids swam in the lake and climbed cliffs and caught tadpoles for two days. The worst part was when I had all the gear out and realized that everything the kids couldn't carry had to go somewhere on my pack. I bought some extra tie-down straps and managed to get everything hooked on somewhere, but it was pretty interesting getting up the mountain. Next time I'm buying a pack mule.

Laura on a cross country trip with her sister, dad, and dog.

Margaret's blended family in Catalina.

Nancy's 6-week multi-European country trip in a camper.

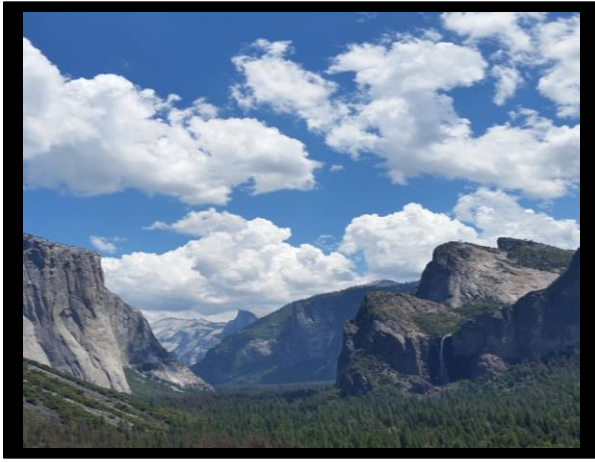

November 2016. Dead Sea, Israel. Pamela and Irvin's honeymoon. Best. Vacay. Ever

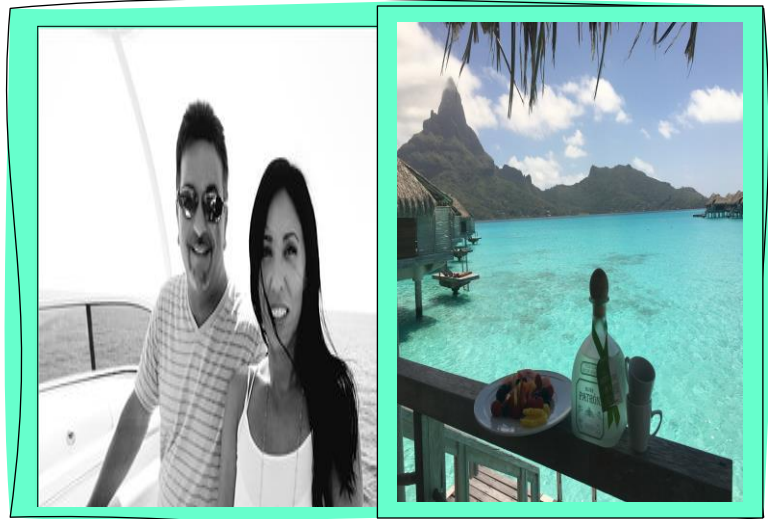

Sam's family at the Taj Mahal.

Shonna's latest family vacation in Oregon.

Susan's trip to Yosemite.

Tony, Tracy, and Tequila. Enough said.

Vince and Ralph, who greets all visitors to the Point Reyes National Seashore Natural Museum.

Pat and my 25th anniversary in London going to see the play "The Commitments."

We're inducting Ed Jacobs at our meeting on Sept. 15.

Brian Smith, former Assistant Chief of the California Highway Patrol and author of the column "Cop Tales" in The Bakersfield Californian, will be our speaker at our Sept. 15 meeting.

For our Sept. 22 social, we'll meet at the 9/11 memorial at 1315 Buena Vista Road to honor first responders and hear from a Fire Dept. representative.

The memorial, consisting of an 8-ton, 22-foot-long girder originally mounted below the World Trade Center's North Tower, now stands between a BPD substation and Fire Station 15. Also known as Artifact K-0004, the girder was brought from New York to Bakersfield in April 2016.

After we visit the memorial, let's meet for food and beverages at:

11350
Ming
Avenue
#260

Our Sept. 29 social – yes, we get 2 socials in September! – is at Rosemary's Family Creamery, 2733 F Street.

Go out into the world and do well. But more importantly, go out into the world and do good.
