

# ROTARY CLUB OF RED BANK

Founded in 1921, the Rotary Club of Red Bank has over 60 members, representing diverse businesses, professions and vocations, who are making significant contributions to the community through their unique skills, talents, expertise and interests.

As a local civic organization, the Club raises funds through its **Red Bank Rotary Foundation**, an IRS recognized tax exempt organization operating exclusively for charitable and educational purposes. The Foundation's expressed purpose is "to allocate available financial resources to worthy causes which reflect the intents and purposes of the Red Bank Rotary and Rotary International Organizations." Foundation funds are received as proceeds of the Red Bank Rotary Club's fund-raising activities and through donations.

The Rotary Club of Red Bank meets each Thursday at 12:15 p.m. at the Molly Pitcher Inn. We welcome like minded men and women from the greater Red Bank area who would enjoy the fellowship of Rotary and would like to contribute to the betterment of our community.

The Boys & Girls Clubs of Monmouth County is a private non-profit organization dedicated to making a difference in the lives of our County's most vulnerable youth. We have facilities in Red Bank and Asbury Park, serving more than 1,800 children annually.

Our vision is to have a positive impact on the lives of young people by providing a safe environment to learn and grow, offering life-enhancing programs and character development experiences, fostering mentoring relationships with caring adults, and giving children the highest quality academic, physical, and emotional support.

At the Boys & Girls Clubs of Monmouth County, children receive homework help, tutoring, computer training, and life-skills classes, and they engage in service projects, sports, field trips, and countless enrichment activities.
