

Welcome to our first 'E-Blast'!

This e-newsletter (or 'E-Blast for short) has been created specifically for Rotary clubs who partner with or support the Community Employment Partnership (CEP) to:

- Hear about the contribution of fellow Rotarian's, who are making introductions as they go about their week, to assist jobseekers with disability find meaningful employment,
- Let you know about current job seekers and the type of work they are looking for,
- Inspire you to get involved as part of this grass roots movement!

Anniversaries & Updates

- Congratulations to Tas who has been working at Woodards Blackburn for a year now delivering their marketing material. A big shout out to Julian Badenach from Box Hill Central Rotary Club for making this happen.
- Mike has just celebrated his 2 year anniversary working at Keysborough Golf Club. Thank you to Warwick Cavell from Central Melbourne Rotary club who had a business connection at the golf club.
- We had the opportunity to present to Hawthorn, Box Hill Central and Lysterfield Rowville Rotary Clubs, with jobseekers who have found a job through CEP, to talk about their experience.

Job Seeker Spotlight

Jobseeker Profile

Nicholas

I am a young man looking for a job in a café or nursery.

I am friendly, detail orientated, task focused and have skills in:

Hospitality: Greeting customers, serving food & drinks, assisting with food preparation, re-stocking items (e.g. napkins), clearing & setting tables.

Gardening: Watering, planting, weeding, harvesting and identifying familiar plants.

Location: Inner Eastern Suburbs (Burwood, Camberwell, Hawthorn & surrounds)

Who is in your networks that you could introduce us to? They might not have a role but that's ok - maybe they know a business that does!

Thank you to the following Rotary clubs for partnering with and supporting CEP!

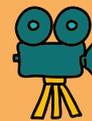

How can Rotarians participate ?

3 steps for Rotarians for participating in Community Employment Partnership:

1. Think about your networks - professional, local community, family and friends
2. Talk to your networks about CEP
3. Refer your networks to CEP
