Celebrating Rotary & CEP internationally!

In September Pat travelled to Dubai to present at the Inclusion International Conference with Bruce Udisky from Inclusion Alberta.

They showcased Rotary and its connection in assisting to find jobs for people with intellectual disabilities.

The conference was attended by 1000 people from 72 different countries.

Anniversaries & Updates

Tim celebrated his one-year anniversary in July working at Morack Golf Club. Thank you to **Ian Evans from Nunawading Rotary Club** who made a contact at the golf club.

Congratulations to **Emily** who has been working at Women's Health East for nearly 2 years and has been given a permanent contract for 2 days a week. Emily and Sarah-Jayne presented at **Nunawading Rotary Club** in August. Emily spoke about her job at Women's Health East which came about as **Olive Aumann from Box Hill Central Rotary Club** had a connection.

What is CEP?

The Community Employment Partnership (CEP) is an initiative of Belonging Matters which is based on the Rotary Employment Partnership in Alberta, Canada. CEP has formed partnerships with a number of Rotary Clubs in Melbourne and as a result of these partnerships, people with intellectual disabilities and autism have been able to secure meaningful, paid employment. Jobseeker Profile

Hi, I'm Brenton and I'm looking for some more work!

I work as a Communication Education Officer (2 hours per week), Assistant Gymnastics Coach (Saturdays) and casually as a Presenter.

I am friendly, motivated and have lots of work skills including customer service, writing, research, technology and presenting. I also have practical skills in tool maintenance and gardening.

I am looking for a role in the automotive or fitness industry, or an equipment maintenance and repair role, or admin role.

Location: Inner Eastern Suburbs (Balwyn and surrounds)
