

Rotary Club of Wandin Inc.

Annual Report 2023 – 2024

The Heart of the Cherry Country

District 9810

President's Report

Firstly to Warwick, Paul and Members, thank you for entrusting the club to me for the past twelve months. It has been a very productive year considering all that has happened in the past few years. With the club now heading into the fortieth year we see further opportunities to make change to see the club go forward.

Looking back at my year as President it has certainly been more challenging than my first time as President. As we all know there is a greater need for licenses, permits and cost for services. Retaining members was also an issue this year with the passing of Foundation Member PP Peter Manders and members not renewing their membership for various reasons. Thank you for your service to the Wandin Rotary Club:- PP Les Sharp, PP David Gamble, PP Warwick Bisley, Tony Knox, Pat Cullen, Rob Bayliss, Bryce Edwards and Miles Rayner.

We have a President Elect Peter Johnson for 2025/2026. He is fortunate enough to have twelve months to get himself and his team ready for his year of Presidency. I am sure Peter is aware of the support he has within the Club.

The Inaugural Primary Schools Speech Competition was a well run and supported event for the local Primary Schools. Thanks goes to the members of Toastmasters for judging and providing encouraging feedback to all speakers. It is pleasing to see that all schools are very keen to participate again in August.

Remembrance Day Service and ANZAC Day Service's are important events in our calendar year, remembering those who served for our country and getting the local primary Schools involved in the service. To Elizabeth Harvey and her helpers and the people who supplied the ANZAC biscuits thank you for making the morning tea and coffee in the church hall. The ANZAC biscuits aren't bad either!

Our visit to Corryong was an opportunity to catch up with the local Rotary Club Members who support their own community after devastating bushfires. We as a club donated \$10,000 towards the recovery support. We were fortunate to be hosted to a barbecue and fellowship at the local caravan park at Clac Clac. To Peter and his members, keep up the great work.

Australia Day Breakfast is one of those events where all members from our Club have an important role to play on the day. I have plenty of positive feedback from the community complimenting the guest speakers and the delicious breakfast. This wouldn't be possible if it wasn't for the kind donations of fresh fruit from our local families and the support from Tony at Mt Evelyn IGA. Thanks to Heinz and Brian for co-ordinating the morning.

Gavan and his team ran another Australia Day Fun Day for the community to enjoy fun demonstrations, activities and food. This was made possible by the continued sponsorship from the Bendigo Community Bank. By the number of people attending it was a great success.

The Wandin Custom Car and Bike show made the change from six to four shows which proved to be a wise move. As you can see in Committee Chair Report, Pat Cullen and his team supported by the shows sponsors raised \$20,000 to go towards the Royal Children's Hospital. This was made possible by the support of our volunteers who help run the event.

Thank you to all who have been on this journey with me for the past twelve months.

Lastly to President Paul Martin and his Committee, congratulations on your roles for next year and special thanks to all the Members of our great Club. All the Best in the future as we continue to serve our local community and show our support internationally.

PP Alan Henderson

President 2023 -2024

PHF Recipients for 2023 -2024

John Hasan

On Australia Day Breakfast John was awarded by the District Governor Ian Ballintine on behalf of the Club. John has been a member since 27th September 2007, he was encouraged to join by Garry and Pauline Byrne and inducted by then President Stan Giles. John has demonstrated his dedication and commitment to his family and his family owned business. Upon joining he has supported the club in many ways without question.

Congratulations John Hasan

PHF Recipients for 2023 -2024

PP Gavan McIntyre

Gavan has been recognised this year PHF 3rd Sapphire for his unwavering support to the Club and his and Dianne's support of ROMAC.

The Wandin Rotary Club, in the previous Rotary year, had committed to adding the names of soldiers who had been omitted from the Cenotaph. Gavan's efforts, with the support of Chris Manders and Anthony McAleer, came to fruition with the completion of the additional memorial plaques being unveiled at the Wandin Cenotaph on ANZAC Day this year.

Gavan has continued to Co-ordinate and run the Wandin Custom Car & Bike Show Bar, encouraging the young volunteers to help support the Rotary Club.

Congratulations Gavan McIntyre

PHF Recipients for 2023 -2024

PP Brian Hodgson

Brian has demonstrated his service to the club by his tireless commitment to organising major fundraisers to support local and international projects. He has been very committed to keeping the clubs profile up to date on Facebook and the Clubrunner. Brian has worked diligently behind the scenes for the Club to organise District Grants and major Fundraisers to support International projects such as Interplast and Shelterbox.

As President, I thank Brian for his assistance in enabling the smooth operation of Guest Speaker visual presentations.

Congratulations Brian Hodgson

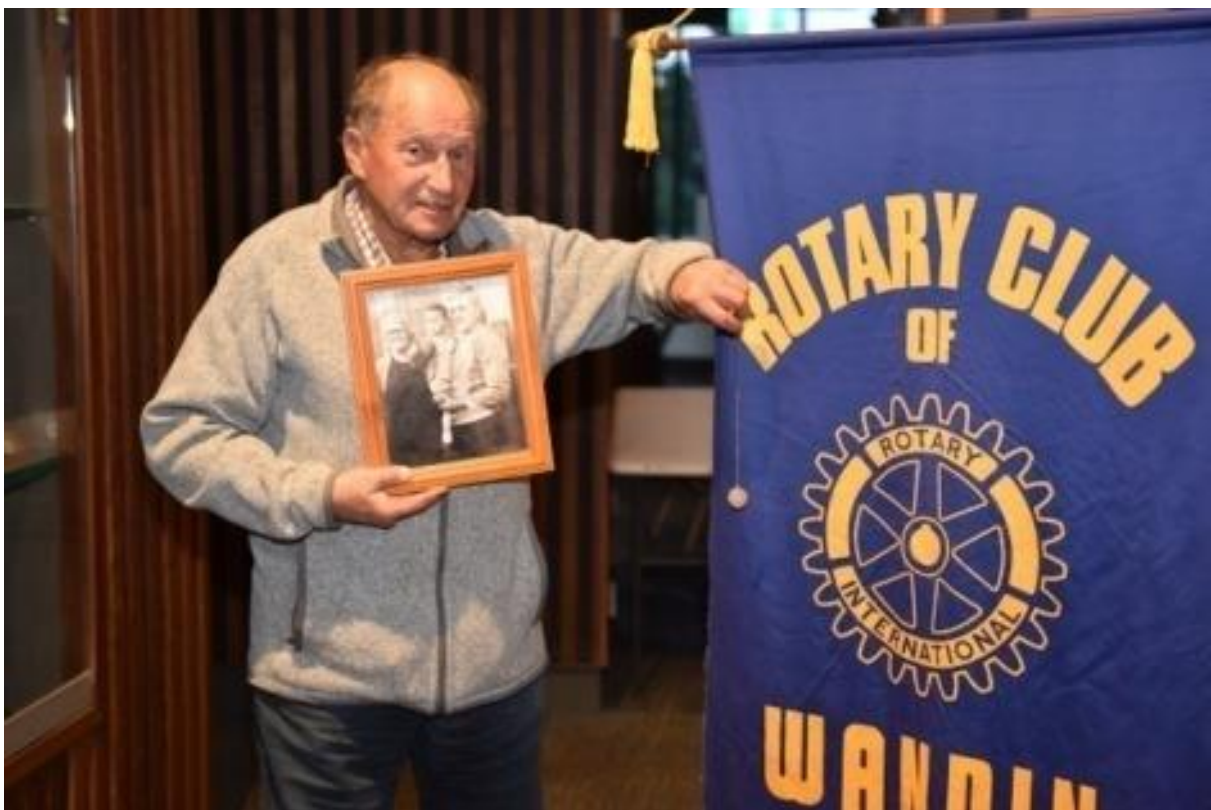

PHF Recipients for 2023 -2024

Garry Bryne

This recognition comes to Garry as a very committed member of the club and the community. He is our Club photographer and creator of slide show presentations to highlight our achievements and fun times. Garry is the provider of the apples for Guest Speakers and brings his truck as a stage for our many events.

As President, he has been very supportive to myself and all members past and present. Garry always has time for Rotary even with his busy work commitments.

Congratulations Garry Byrne

TREASURER'S REPORT 2023-2024

Treasurer – Ray Barrett

The financial report for the eleven months to the end of May 2023 appears below. The club commenced the year in a solid position.

It was decided to conduct four car shows this session due to the unreliable weather in October and a history of low attendance in January. For the first time entry fees were increased. \$20,000 will still be directly donated to the Royal Children's Hospital.

Australia Day Breakfast was held at the Community Hub and was followed by a free Family Fun Day. The Family Fun Day was totally funded by an \$8,800 grant from the Wandin Seville Community Bank branch of Bendigo Bank and the residual funds from a previous Government Grant. No Club raised funds were required for the event.

In all the accounts we have sufficient funds to meet operational commitments for this year and be well positioned to commence the next Rotary year.

Member numbers for next year will be a challenge on the Club's non-discretionary expenses.

Community Service Report 2023-2024

Committee PP Heinz Budweg (C) Peter Manders, Alan Henderson, Les Sharp Garry Byrne, Warwick Bisley, John Hasan and Tony Knox.

We started our year by continuing the distribution and pick up of frozen meals from the Mt. Evelyn IGA Supermarket to the Wandin Senior Citizens Hall. These meals were then distributed by the ADRA Community Care to people in need.

A big thank you to Wendy Bartsch and Les Sharp for pick up and drop off.

This community service is being repeated this winter (2024 / 25)

A big thank you to Tony Ingpen of Mt Evelyn IGA for his continued support of our Rotary Club. His generous contributions are greatly appreciated.

The recycle battery collection was a great success with President Alan and myself embarking on a four wheel drive trip to collect a trailer load of batteries from Wandin and Croydon. This culminated in a combined Club effort where we collected at two drop off points. The Aldi car park Seville and the Wandin shop carpark. This raised approximately \$1300.00. Thanks to Mt Evelyn recycling who gave us a top price for the old batteries.

We had great support from the Community for this Project.

The Remembrance Day event held at the Wandin Cenotaph was attended by students from the Wandin Yallock and Wandin North Primary Schools who participated and took an active role with readings and raising the flags. This was well attended by the local Community.

The Australia Day Breakfast is a regular event for the Rotary Club of Wandin's calendar. This breakfast was well supported by 125 special guests and members of the Community who enjoyed a delicious two course breakfast and listened to two very interesting speakers.

This year we had Elizabeth Kitchen originally from North Carolina who moved to Australia to progress her career as a Cheese and Butter Scientist at Fonterra on a working visa, to settling down and becoming an Australian Citizen.

The second speaker was Phillip Johnson. Phillip led the team to win Gold and Best in Show at the Chelsea Flower Show in London. The prize winning garden was then recreated in Olinda. Phillip is highly regarded as one of Australia's most innovative landscape gardeners.

A huge thanks to Brian Hodgson and the Volunteers who prepared food for the breakfast such as Quiches, Muffins and preparing the tomatoes and to the families who donated delicious fresh fruit. To all the Rotarians who set tables, cooked, served and cleared tables, thank you for making the breakfast a memorable event.

The Club presented Megan Gibbons a Community Service Award for her work with Mont De Lancey and Wandin North Primary School with her coordination of the Harvest Market to raise money for the School. This was followed by presenting John Hasan a PHF (Paul Harris Fellow) recognition on behalf of the Club for his Service to the Community and to the Club, displaying commitment and dedication to his position since joining in 2007. Congratulations John and Annette Hasan.

This year ANZAC Day had a special meaning as we commemorated the new plaques to include local Soldiers who had enrolled in other parts of Australia to serve in the First and Second World Wars. It was Gavan McIntyre's dedication and commitment to see the Project completed by ANZAC Day as it was started in Paul and Warwick's year. Gavan was joined by Chris Manders working on the wording for the seven plaques. Anthony McAleer from the Mt. Evelyn RSL organised the Service to dedicate and unveil the plaques followed by the service to remember those who served for their Country.

The children from Wandin North Primary and Wandin Yallock Primary once again assisted with the service with readings, laying Wreaths and raising the Flags. Thanks must go to Elizabeth Harvey and volunteers, serving tea and coffee after the service and to the people who supplied the Anzac biscuits.

It is with great sadness to have one of our Charter members Peter Manders pass away in June. Our heartfelt condolences to Annemarie, Chris and Tim. Peter was a hard working Community Service Member.

To all Community Committee members thank you very much for your input and help during this Rotary year.

Thank-you to President Alan and Tracey for your year of great Service.

Yours in Rotary,

Heinz Budweg.

Rotary Club of Wandin Family Fun Day 2024

Committee Chair PP Gavan McIntyre

On the 26th January Australia Day we held our second Free Family Fun Day at the Wandin Nth Oval. The Rotary Club of Wandin was supported and assisted in the planning and running of this free day for the Community by a number of other local clubs, Wandin Senior and Junior Football Club, Wandin and Seville CFA's, Wandin Senior and Junior Cricket Clubs, and Generator supplied by GA & PE McIntyre Builders.

We have been able to run the past 2 years events without using any of the Rotary Club Funds. This was possible because of the very generous support of WANDIN SEVILLE BENDIGO BANK, who have kindly sponsored our events.

It was great to see so many families having a free day out at zero expense to the parents. The games were all simple old fashioned games that we all played as kids. I think that hammer and nails was the most popular with face painting and Tug of War also pretty popular.

It may be difficult for the Rotary Club of Wandin to organise the event again next year as we have lost a number of Rotarians over the past few months due to various reasons.

I would like to thank all who supported this year's event.

Cheers Gavan McIntyre

Youth Committee Annual Report 2023-2024

Committee Chair Peter Johnson

Committee Members - Gavan McIntyre, Pat Cullen, Miles Rayner, Ray Barrett, Ben Vallenge, Bryce Edwards

Youth Committee Programs:

EarlyAct

EarlyAct is a school-wide service club for primary school students, overseen by Years 5/6 and sponsored by a local Rotary Club. The purpose of EarlyAct programs is to engage students in character building activities, to prepare them for leadership roles and to identify and carry out meaningful projects which benefit their school, local and international communities. The club has had contact with Coldstream Primary School about a collaboration in this program in the near future.

Rotary Youth Leadership Award [RYLA]

An intensive six-day training program for young people aged 18 to 30. Participants are nominated by local Rotary Clubs based on their community youth leadership potential. The program covers the fundamentals and ethics of positive leadership; communication skills; problem-solving and conflict management; building self confidence and self-esteem. It also promotes Rotary's purpose and service to the community, as well as the elements of community and global citizenship. The club is sponsoring Leah from the Wandin Seville Bendigo Bank for this year's week long program, which will be held in early July.

4 Way Test Speech Contest

A club project which promotes public speaking in a competition for Year 10 students on the topic of Rotary's 4- Way Test, supported by sponsoring Rotary Clubs working in partnership with their local schools and Toastmasters International. Information was sent to UYSC – the program was not pursued.

Primary School Speech Contest

A club project which encourages year 5 and 6 primary school students to develop public speaking skills and raises awareness of Rotary's work in the community.

This project is currently underway. Coldstream PS, Seville PS, Woori Yallock PS, Wandin North PS and Wandin Yallock PS are all participating in the contest. The schools are currently doing the in house practice and selection process to select 2 students from each School to compete in the Contest which will be held on Thursday, August 1st at 6:30pm in the Wandin Yallock multipurpose hall.

Marlene Sinclair from Toastmasters has provided the speech topics. They are:

1. The best part about living on Earth
2. If I could talk to animals
3. A much-needed invention
4. My favourite outdoor activity
5. My most embarrassing experience.
6. What planet would you visit and why?
7. Life through a dog's eyes.
8. The best things about dragons
9. My imaginary friend
10. Mysteries of the deep sea
11. Alternative energy sources
12. Famous scientists in history
13. Robotics, past, present and future.
14. If you could have one superpower, what it would be?
15. The place that inspires me the most.

The evening will be co-hosted by Wandin Rotary and Toastmasters

Junior Citizenship Awards

10 citizenship awards were presented to students from the listed schools

1. Coldstream Primary School
2. Hoddles creek Primary School
3. Seville Primary School
4. Silvan Primary School
5. Wandin North Primary School
6. Wandin Yallock Primary School
7. Woori Yallock Primary School
8. Yering Primary School

The Science Experience

A nationwide STEM outreach program for year 9 and 10 students in 2023. Information received from the District was sent to Upper Yarra Secondary College who have not sent any nominations for students to attend.

Wheelchairs for kids

Wheelchairs for Kids is a volunteer-based not-for-profit organisation providing the transformative gift of mobility to children in impoverished and under resourced communities both in Australia and around the globe.

Many are forced to live on the earthen floor of huts or wait to be carried, making them more vulnerable to disease, malnutrition and armed conflict, as well as experiencing lower educational attainment and higher rates of poverty.

Wandin Rotary supported this cause at a wheelathon event to raise money to support this program. The events were held at Coldstream Primary School and Wandin North Primary School. The club cooked well over 600 sausages which the students paid \$2 each for. This contributed over \$1200 for this worthy cause.

International Report Annual Report 2023-2024

Committee Chair PP Paul Martin

Committee Members Max Mc William, Cliff Riseborough, Alan Henderson

This year has been a year of consolidation in regards to R C Wandin support of International events.

After a bumper fundraising event in May 2023 in support of Shelterbox held at St Patricks Community Centre Lilydale, the distribution of these funds occurred in July 2023 and resulted in a total donation of \$19k to fund the distribution of these emergency kits to house people after a natural disaster such as Earthquakes, Floods and other disasters.

In July 2023 a donation from club funds of \$A1510 to continue the best work of Rotary International to eradicate Polio from the last three vestiges of the world was made. This donation ends up being six times greater than our original gift because it is matched by a local District grant and then doubled by the Bill Gates Foundation.

In May 2024 the Board took the decision to donate \$A5000 to ROMAC (Rotary Oceania Medical Aid for Children) to fund their ongoing work on bringing children in need of surgical medical treatment to Australia, mostly from neighbouring Pacific Island countries and Timor Leste.

The club has also indicated its support for supporting in a practical way a specific child who is due to come to Melbourne for surgery when the necessary visas and permissions have been granted and the appropriate hospital and medical appointments are made. For our club, we can be justly proud of our significant contributions in the International area of Rotary.

Vocational Service Annual Report 2023-2024

Committee Chair - Brian Hodgson

Committee Members - Rob Bayliss, Anita Wood.

Corryong Weekend

The weekend of 17 – 19 November was spent on a visit to the Corryong Rotary Club. Brian and Sue Hodgson, Alan and Tracey Henderson, Heinz and Marie Budweg, Max and Denise McWilliam, Garry and Pauline Byrne, Cliff and Sylvia Riseborough and Paul and Trish Martin participated. The highlight of the weekend to Corryong was the fellowship with members of the Rotary Club of Corryong and their partners. President Peter Humphrey spoke passionately about the community's and his own experiences with the New Years Eve fire in 2019. He made it clear that financial donations were invaluable, and he expressed sincere gratitude to the Rotary Club of Wandin for both their financial contribution and their empathy. The community demonstrated great resilience, but considerable mental anguish remains.

See <https://www.abc.net.au/news/2020-01-01/victoria-bushfires-grow-east-gippsland-mallacoota-corryong/11835414> for reports.

Beyond this aspect the trip was a great success. The caravan park at Clac Clac was sensational - without doubt one of the best we have stayed at in Australia! Bound on one side by the trout stocked Corryong River the park featured large sites, huge deciduous trees and modern facilities.

We didn't have a packed schedule but still managed a pub meal and a pancake breakfast. Some stalwarts even included lunch at Buller's Winery.

Heinz and Brian searched for records at the Bonegilla Migrant Centre. Brian had spent time there as a child and Heinz found records of his uncle.

Free time led to various discoveries - a concert to commemorate a Strzelecki anniversary, exploration of the Snowy Mountain Scheme, a beer at the Jingellic Pub, spectacular lookouts, the Man from Snowy River Museum, Jack Riley's grave and discussions with the remarkable inhabitants of Corryong.

Kmart Wishing Tree

We had a Christmas tree in the Hub for our Christmas party. Many members brought along a decoration to add to it and a gift to be placed under the tree. These gifts were donated at a Kmart Wishing Tree Station on their behalf.

A Salvation Army representative collected the gifts and oversaw their distribution to those in need.

Chelsea Garden at Olinda

On 10 April Brian and Sue Hodgson, Cliff and Sylvia Riseborough, Paul and Trish Martin, Warwick and Paulette Bisley, Garry and Pauline Byrne, Wanda McPherson, Nola Sharp and Joan Rawson visited the Dandenong Ranges Botanical Garden and the Chelsea Garden at Olinda.

The autumn colours had just started to appear and the commentary on the mini-bus trip was highly informative. The size of the trees and the variety of plants was fascinating as was the cameo appearance of the lyre bird. It was exciting to see how well the original Chelsea Garden display had been transported and embellished at Olinda.

PP Brian Hodgson

Wandin Rotary Custom Car and Bike Shows 2023—2024

Committee Chair - Pat Cullen

Committee Members - John Hasan, Ray Barrett, Tony Knox, Cliff Risborough, Peter Johnson, Rob Bayliss and Marc Bartsch.

We reduced our car shows to four, based on previous years' experience with the stressful weather situation always, and once again we were proved correct. The November show went off well as did December with a fairly good turnout for both shows especially December. It was warm in the afternoon when Father Christmas (Bryce) was busy doing a great job entertaining the young ones from Seville fire truck. February and March proved to be ok, but the weather was unpredictable resulting in some of the car enthusiasts not willing to risk getting their vehicles wet.

I feel this fact affected the turn out for most of this season. The evenings cooled off quickly at nearly every show and many people left early, it also affected the Bar sales.

However, we had a fairly good season overall.

Our Wandin Rotary Car Shows are such an important part of the Club. They are, when combined with the Bar, our main source of fund and enable the Club to not only sponsor the RCH but also contribute to the needs of the community. None of this would happen without the assistance of our major community groups. The Seville CFA with the parking, Wandin CFA with First Aid and Emergency response, and Upper Yarra Rotary Club's assistance. There are numerous ex Rotarians and others that came and helped out.

Once again, we must thank our sponsors some of whom have been supporting the RCH through the car shows for so many years. WM Waste management for providing their services free of charge as did Advance Security.

A big thank you to my committee that came along every show and kept the effort up over the whole season. A big thanks to all the club members that showed up and helped out.

This Year we presented a cheque to The Royal Children's Hospital for \$20,000.00 at the Wandin Football Grounds on the 18th of June.

Pat Cullen – Chairman

PROGRAM EVENINGS AND EVENTS DURING THE YEAR **2023/2024**

28 th Jun	Club Change Over from Warwick and Paul to Alan

“THE 4-WAY TEST”

Of things we think, say or do.

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIP?

Will it be BENEFICAL to all concerned?

Vale Peter Cameron Manders

To Annemarie, Chris and Tim on behalf of to Rotary Club of Wandin we offer peace and comfort as you remember someone so close to you.

To my fellow Rotarians we have lost a close friend and highly respect member of our club. We have lost someone who was willing to see the club uphold our standards and responsibilities.

**R.I.P. Peter 30/05/1938 – 03/06/2024
A LIFE WELL LIVED.**

**From All the Members and Partners of Rotary Club of Wandin
and District 9810**
