RED BADGE PROGRAM REQUIREMENTS (for prospective member and their Rotary Sponsor)

Welcome to the Rotary Club of Bangor! The purpose of the Red Badge Program is to introduce you to our club, and to immediately involve you in our activities and committees. The Rotarian who proposed you should help you fulfill the following requirements, but you may ask any club member to do so. When you have completed the program requirements, submit this form to the Front Desk or to a Membership Committee member. We look forward to getting to know you. Thank you for joining us!

- Pay club dues.** Dues will be prorated depending on the date of your induction into the club.
- Attend orientation.** If an orientation session has not been scheduled, then a member of the Membership Committee will sit down with you to familiarize you with the club and Rotary International.
- Complete your profile information in Club Runner.** Here's how:
 1. Go to www.bangorrotary.org
 2. Select **Member Login** in upper right corner.
 3. Select the option to set up a new user name and password.
 4. After you log in, select **Member Area** in the upper right corner.
 5. Select **Edit my Profile** from the My ClubRunner menu
 6. Edit your information and **Save**. Voila! You're done!
- Attend a meeting of the Club's board of directors.** Observe how the club gets business done. The board of directors meets every **first Tuesday of the month at 11:00am in the upstairs meeting room.**
- Serve as a Greeter or work at the Front Desk for three club meetings.** Greeters should arrive by 11:45 am. Front desk workers should arrive by 11:30am. There is a "Greeter" badge for you at the Front Desk. Contact a Membership Committee co-chair to schedule your work shift.
- Give a classification talk at a regular club meeting.** Tell the club about yourself, your vocation, your personal life in 8-10 minute talk. This is how the club will get to know you so be comprehensive. Guidelines for giving a classification talk are located on our club website.
- Visit another Rotary club with another member.** To really experience Rotary requires that you step outside the comfort of the local club and meet some other Rotarians in neighboring areas. Visit other clubs in our Zone, our District, or in another country!
- Join a committee.** There is no shortage of ways to get involved. Committees focus on international projects, local service projects, public relations/marketing, administration, membership, and youth services. Share with your mentor and Membership chairperson how you would like to get involved.
- Attend a Rotary fellowship event.** Attend at least one fellowship event so that members can get to know you. You can also meet this requirement by attending an event at another club. Feel free to ask other members to join you!
