dances & ballerina

**Host Rotarians: Bud and Peggy Missel**

My name is Valeria. I live in the city of Dolores with my boyfriend Fernando, who is a musician.

I'm a journalist in the area of press of the Dolores City Council. In the evenings I give lessons of classic , contemporary and Argentinean Folk dances for children, teenagers and adults.

My major pleasure resides in dancing ,for which I dedicate several hours a day. I love reading as well, and doing radio.

My expectations on this trip is to incorporate knowledge about my professional and family life, working and contributing to the community and to the club that I represent. It would be extremely interesting to know , to share and to take part of new experiences, establishing connections and making friends in the frame of this cultural and educational exchange.
