All the proceeds from this action go towards supporting primary schooling in rural Rajasthan. We will buy equipment for the schools, school bags, exercise books and writing materials, school uniforms, hygiene kits and pay school fees for poor families. We also arrange health checks and basic treatment for children and mothers.

*One lunch will enable us to buy 2 school bags or two girls uniforms. Five lunches can pay for the school fees of one child for a year. All proceeds will be spent on material needs without deduction of any administration costs.*
