INDIAN FOOD HELPS! – *Enjoy helping while eating good food*

Život 90 asks for financial support to help seniors during the corona virus crisis. ŽIVOT 90, together with the City of Prague, has established a Coordination Crisis Center for the Elderly, which provides assistance in delivering food, medicines and organizing volunteers to help seniors meet their life needs. For more information visit www.pomahamepraze.cz. At this time of the coronavirus epidemic, there are many more demands for assistance to the elderly who are particularly vulnerable to this disease. ŽIVOT 90 will use financial assistance to purchase protective clothing and equipment for volunteers to help seniors safely and effectively.

Please help us support ŽIVOT 90 in their constant work in these difficult moments.

All the profits from your purchase of our Indian Food lunches will go to ŽIVOT 90.

These special two weeks of Indian food will be available from Tuesday 14.4. to Friday 24.4.2020. You can once again enjoy great Indian lunches prepared by The Curry House restaurant which was voted the Best Curry in Prague.
