PREFACE

The Rotary Club of Trans-Amadi Spelling Bee has made significant progress since its maiden edition in 2011. We are now in the 6th edition for secondary schools and have introduced the primary schools category of which this is the maiden edition. We have testimonials from schools and students who have participated in previous editions attesting to its positive impact.

As part of continuous improvement measures, we will restrict the use of this Word List to primary schools. Although it was introduced for secondary schools last year, it will no longer be used for that category of the competition.

Every registered primary school shall receive a copy of this Word List at the point of registration. Participants are encouraged to study the words with particular emphasis on the roots of each word and its usage. Remember that the objective of this competition is to encourage students to study and read, while promoting excellence.

Please note that for words which have multiple spellings, for the purpose of the competitions, the spelling of each word as contained in this booklet shall be deemed to be correct. We take responsibility for any error in this publication and any such error shall be corrected in subsequent editions. We wish you the best as you participate in the annual Rotary Club of Trans-Amadi Spelling Bee.

Rtn. Uyobong Uko
President, 2015/16.

Rtn. Nze Anizor
Chairman, Spelling Bee Committee.
