

## **Newsletter & Website Ads**

### **BACKGROUND:**

The Propeller is sent to 400 individuals weekly or an estimate of 1,600 impressions monthly or 20,800 impressions annually. Therefore, we have a high potential of helping fellow Rotarians' business exposure via ads. Placing ads on a Rotary Club's newsletter and the website is currently practiced by clubs in the US and around the world.

### **ANNUAL PRICING:**

- \$500 for Premier Sponsors for the entire year for both website and newsletter, limit to 5, guaranteed spot at the top of the list
- \$200 for the entire year for both website and newsletter
- One complimentary ticket to one of two club events (Nebraskan of the Year & Salute to Business)

### **BASIC GUIDELINES:**

- Only Rotary 14 Rotarians can place ads on the club website & weekly newsletter.
- Ad placement is available to the first 50 Rotarians.
