

# Two Important Ways to Support Rotary's Work

## Rotary Club 14 Foundation

## Rotary International Foundation

### What is it?

The local foundation that supports our club's charitable activities

The international foundation that supports Rotary's work around the world.

### What does it support?

Our club's projects such as the International Student Picnic, our \$10,000 need-based Service Above Self high school scholarship, Youth Exchange, the Dictionary Project, our club's international projects, matching funds for our Rotary International grants, and our signature project (most recently, the renovation of the Teachers Cascade Fountain at 27th and Normal).

Helps Rotary members around the world advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty. A portion of the donated funds comes back to our district to support programs and projects in our community.

### How much should I give?

Club 14 members are encouraged to participate in the current pledge program (presently 5|25 – donate \$250 a year for ten years). Any amount is valued and appreciated.

All Rotarians worldwide are encouraged to annually donate \$100 to the Annual Fund-SHARE program. Any amount is valued and appreciated.

### When should I give?

Anytime

Anytime, but July is suggested

### How do I give?

You may send a check to the Club Foundation or donate online at [Rotary14Foundation.org](http://Rotary14Foundation.org).

Visit [Rotary.org/en/donate](http://Rotary.org/en/donate) for information to donate (be sure to log in, so you and the club get credit for your gift).

### Whom can I contact for more information or with questions?

Mary Buckley  
Executive Director  
PO Box 83843, Lincoln, NE 68501
