Dear Friends at Rotary Club Of Omaha,

Thanks to community partners like you, our members gain critical skills to become productive, responsible, healthy, and caring members of society. **Your recent gift of \$1,000.00 makes a lasting impact in Club members' lives.**

We are having a blast at Camp Nakomis this year!

Youth explore miles of hiking trails, numerous camp sites, archery, boating and a fishing dock at our beautiful Camp Nakomis located on the Carter Lake Boys & Girls Club campus. A variety of games, activities, and challenges give campers countless opportunities to enjoy themselves, develop useful skills, and be active, all in a safe and positive setting.

Though a trip to camp is always fun, the most valuable and rewarding part of our programs is watching members gain and develop skills that they will use in school and beyond. Generous community support ensures that we can continue to inspire and enable the young people who need us most to learn, grow, and realize their full potential.

Your partnership makes programs like Camp Nakomis possible.

On behalf of Boys & Girls Clubs of the Midlands, thank you for all you do for our members. You are an important part of their lives too.

Sincerely,

Ivan Gilreath
President and CEO
