Dear Friends at the Rotary Club Of Omaha,

Wow! Words are inadequate to express our gratitude for your recent gift. I can't tell you how much we appreciate and depend upon your generosity.

As our youth head back to school, we are excited to see them continue to learn, grow, and develop a sense of purpose and place in the community. But in order to succeed, many of these youth need after-school support such as mentoring and homework help.

Your contribution of \$1,000.00 will go a long way in helping us deliver programs like Power Hour. During Power Hour, members receive homework help, tutoring, and encouragement to become resourceful, self-directed, and independent learners.

Whether guiding youth through homework assignments, introducing new study techniques, or mentoring members who face challenges at school, BGCM programs help youth build strong foundations for academic success.

On behalf of Boys & Girls Clubs of the Midlands and the youth we serve: *Thank you!* You are an important part of members' lives.

With gratitude,

Ivan Thank you!
