Dear Steve,

On behalf of the Boy Scouts of America, Mid-America Council, thank you for your commitment of \$1,500 to support the Scoutreach afterschool program. We look forward to celebrating our partnership with the Omaha Downtown Rotary Club Foundation on Wednesday, June 12th.

Scouting strives to help youth build confidence, self-reliance, and leadership skills that will aid them throughout their lifetimes. Throughout the 58 counties we serve, more than 17,300 youth took advantage of what Scouting has to offer. In 2018, 291 Scouts earned their Eagle Award by building a stronger, safer community. 2,308 Scouts attended one of our summer camps where they enjoyed fun and exploration in the outdoors. Scouts learned the value of 'doing a good turn' daily by collecting more than 289,417 items of food during our Scouting for Food drive and donating it to local food banks.

Once again, thank you for helping provide youth from underserved communities with an unparalleled Scouting experience. If you'd like to learn more about how your contribution will build a stronger program, please contact Brianna Lane at 402-431-3017 or brianna.lane@scouting.org.

Yours in Scouting,

Chris S. Mehaffey
