About the Omaha Downtown Rotary Club Foundation

The **Omaha Downtown Rotary Club Foundation** is a non-profit organization with the purpose of carrying out community service projects for the Rotary Club of Omaha. The Club Foundation is focused on community grants emphasizing:

- **educational opportunities**
- **veteran services**
- **senior citizens**

Community Grants are made in the Omaha/Council Bluffs metro area (Douglas County and immediately adjacent counties in Nebraska and Iowa). Grant requests must be at least \$500. Priority is given to specific projects.

Community Grants

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise. To that end, members of the Rotary Club of Omaha have generously donated funds to the Omaha Downtown Rotary Club Foundation as a means to award grants to eligible organizations.

Applicants must be organizations described in Section 501(c)(3) of the Internal Revenue Code and have a written ruling (determination letter) from the IRS that they also qualify under Section 509(a)(1), (2), or (3) of the Code (publicly supported organizations and their affiliates).

There is one grant cycle each year beginning April 1. The deadline for applications is midnight on May 31st of the grant year. Applicant organizations can expect to learn the outcome of their request by mid-July and a representative of the organization is expected to attend a Rotary Club of Omaha weekly meeting for the awarding of their grant, normally sometime in August. In addition, for grant recipients, your attendance at a subsequent club meeting and a brief report detailing how funds were used is encouraged and welcomed.

Applications should be submitted electronically as indicated on the application form.

If you have questions, please email them to grants@omaharotary.org.
