Dear Friends,

Thank you for helping girls grow up healthy, educated, and independent in 2017. From our enclosed annual report, you can see the experiences, the opportunities, the activities, and the impact you helped make possible through your support of Girls Inc.

You can also see the faces of the girls we serve – real girls, not statistics. Those faces are proud, studious, calm, joyful, focused, confident, happy, excited, and sometimes even a little sassy. These are the faces of the Girls Inc. Experience – the caring adults; sustained exposure; intentional, evidence-based programs; hands-on activities; and an all-girl, pro-girl environment.

Your support in 2017 is an investment in the lives of the 1,105 girls we served in our two centers in North and South Omaha and the 922 girls we served in outreach sites across our community. The continuing success of the girls we serve is truly a dividend like no other.

Thank you again for being a part of Team Strong, Smart, & Bold.

Sincerely,

Roberta Wilhelm
Executive Director
