March 22, 2018

Dear Downtown Omaha Rotary Club Members,

I want to thank you so much for your generous grant of \$1000.00 to increase programming opportunities for our students during summer school. This grant will allow our students to have specialized adaptive physical education activities and special adaptive art classes this summer.

Our students excel when they are stimulated through assistive movement and the sensory experiences they receive through a rich program that targets the strength of their individual sensory inputs.

Adaptive physical education and adaptive art classes by our own teachers, Mrs. Darcy Cleveringa (P.E.) and Mr. Joseph Gregory (Art) will use their skills and their knowledge of our students to create seamless activities from the end of the school year right through the summer session for our students.

Through this grant, the Downtown Omaha Rotary Club has shown its commitment to the students of Dr. J.P. Lord School again this year. I am thankful for your continued support and service to our very special students.

Most thoughtfully,

*Mrs. Laura Mac-Holmes*

Dearest Friends at The Downtown Omaha Rotary Club,

We appreciate you sponsoring a billboard for Youth Art Month featuring a creation by our student, D’Kari Hill. His picture of the big red dog decorates Saddle Creek Road with a bright cheeriness. I hope the motorists and passersby look up for a few seconds to make their day better by seeing D’Kari’s picture.

Thank you for the opportunity to showcase the work of one of our special students.

Most thoughtfully,

*Mrs. Laura Mac-Holmes*
