

Dear International Rotary Club,

I wish to say thank - you very much for  
funding and sponsoring the Nebraska - Iowa  
Merry makers. They come to the Immanuel  
Court yard once a month and all of our  
Residents enjoy the wide variety of music  
they perform for us. It is time to Relax  
and Block out various stress we may in our  
lives. Being a former Nurse music is  
great therapy for the mind, Body & Soul in  
all areas of the medical field.

The Immanuel Court yard does a lot of activities

for their Residents to keep Busy and active  
I think its on the Top Ten Place to  
Retire in Omaha!

Your members & Board deserve a Big Hand  
for helping the Merry makers reach out to  
the special & growing senior population.  
We love you!
