Dear Kris:

Thank you for Omaha Downtown Rotary Club Foundation's grant of \$1,000.00 to Methodist Hospital Foundation. One hundred percent of this grant will benefit a new program at Nebraska Methodist College called Learning in Retirement.

Learning in Retirement provides educational and relationship building opportunities for senior citizens living in our community. They will learn about living a healthy lifestyle during the retirement years through access to health screenings and education. By offering this lifelong learning, senior citizens will share experiences and expand their health knowledge, leading to improved physical and mental health.

Thank you for supporting this new program that will deliver health education and care to our senior citizens.

With great appreciation,

Tracy Madden-McMahon
President and Chief Executive Officer

Thank you for supporting our community's senior citizens!
