Dear Brad,

On behalf of Midlands Mentoring Partnership (MMP), thank you for your recent grant of \$1,000. We deeply appreciate your generosity and interest in supporting mentoring in the Omaha community.

As you know, MMP utilizes best practices to provide training and technical assistance to nonprofits and mentoring programs. MMP's goal is to make quality mentoring relationships a reality for the 35,000+ youth in the greater Omaha area who are facing the challenges of poverty. This is accomplished by working smarter with our resources, finding efficiencies and leveraging our volume, and collaborating with many sectors in the community to achieve our shared vision.

MMP has an exciting year ahead as we will be rebranding to MENTOR Nebraska. This transition will help us expand opportunities for quality mentoring throughout Nebraska. We will be sharing additional news on the rebrand in the coming months.

Midlands Mentoring Partnership is a non-profit 501(c)(3) organization. For federal income taxation purposes, this letter acknowledges your contribution. No goods or services were provided in exchange for this contribution. Please retain this letter as proof of your charitable contribution.

Thank you again for your generous support!

Respectfully,

Deborah Neary  
Executive Director
