Dear Rotary Club of Omaha Members,

On behalf of PromiseShip, I wanted to personally thank you for your donation of \$1,500.00 on June 12, 2019 for our **Freshen Up for School Event**. This unique opportunity was started by PromiseShip's Prevention Team in 2017 to fill the gaps of resources that are often overlooked when kids are preparing to go back to school – haircuts, socks, underwear and hygiene items to name a few.

PromiseShip works every day to enhance the quality of life for 5,000 children and families involved in the child welfare system in Douglas and Sarpy Counties. Sadly, low self-esteem is not uncommon in youth within the child welfare system. It is our ultimate goal to help kindle self-worth and break the generational cycle of hardship we so often see.

Because of your support and generosity, this year 300 children will be able to worry less about not having what they need for school or being embarrassed about how they appear to others and focus on just being kids.

We are honored you share our vision of communities filled with strong families who are self-sufficient and empowered with great hope for the future.

With gratitude,

Ronald M. Zychowski
President & CEO
