Dear Friends,

Thank you for your donation to Special Olympics Nebraska and for helping us give every athlete the chance to feel like a champion.

Every day, we work to create opportunities of acceptance and inclusion for more than 7,300 individuals with and without intellectual disabilities through programming in sports, health, education, advocacy and leadership. We strive to build a future full of **justice** and **joy** for our athletes and our state, and we would not be successful without support like yours.

Special Olympics Nebraska allows people with intellectual disabilities to discover new strengths and abilities, skills and success. Our athletes find joy, confidence and fulfillment -- on the playing field and in life. They also inspire people in their communities and elsewhere to open their hearts to a wider world of human talents and potential.

We believe in a world where there are millions of **different abilities** but not disabilities. And we're spreading this message everywhere. Your gift helps us do just that.

Thank you for your support!

Sincerely,
