Dear Mr. McCollister,

Thank you to the Omaha Downtown Rotary Club Foundation for your generous support of the programs and services of the Urban League of Nebraska. Your pledge of \$1,000 will help us open our annual 'Striving for Success African American Male Summit' to middle school students.

I am including a copy of this year's promotional flier for the event. Our keynote speaker will be Mr. Jewell Jones, the youngest person to ever sit on the City Council of Inkster, Michigan.

We hope you can join us at the event. Again, thank you for your support!

Sincerely,
