Dear Rotarians:

We wanted to reach out and thank you for your generous donation of \$1000.00 toward the purchase of Isabel's travel wheelchair. You cannot begin to know how much this means not only to Isabel's mother, but also to all of us here at W4K, that Isabel now has a travel wheelchair that fits, and especially that it was sponsored by a local group there in Omaha. Your generosity is truly appreciated!

Wheelchairs 4 Kids is dedicated to improving the lives of children with physical disabilities by providing wheelchairs, ramps, home and vehicle modifications as well as other assistive devices. Many children in the United States faced with living with physical disabilities are in wheelchairs that are too small, in disrepair, or do not fit the needs of the child. In addition, families are faced with trying to care for their special needs children in homes that have not been modified to meet their specific circumstances. Imagine trying to lift your teenager in and out of bed or a bathtub without assistive devices or a modified bathroom. Picture a child in a home where they can't get upstairs. Children outgrow their wheelchairs before government or insurance programs will allow for a replacement. Not only is it unsafe for a child to be in a chair that is inadequate for their needs, but it can impact their health in numerous ways including scoliosis, respiratory problems and pressure sores. Everyone at Wheelchairs 4 Kids is working hard to address this much neglected need. Thank you for being part of the solution.

We hope that you will take a moment to visit our website at [www.wheelchairs4kids.org](http://www.wheelchairs4kids.org) and become a fan of our [Facebook page](#). You can also see a several videos of our work on our [YouTube channel](#).

Again, thank you so much for your support and kind contribution. If you have any questions, suggestions or comments, please don't hesitate to contact us at 727-946-0963. Thanks for caring and helping us create something special.

Sincerely,
