HONOR ROLL NOTES

1. The Honor Roll program was started by the Rotary Boys Work Committee 36 years ago, under the chairmanship of Louis Hiller whose idea it was. Lou Hiller later served as President of this Club for the 1933-34 term, his son, Richard, was President of the Club for 1957-58, and his grandson, Robert Hiller, is an Honor Roll boy this year, from Lewis and Clark Junior High School.
2. This is the 36th annual Honor Roll for the public schools and the fifth for the Catholic parochial schools. Total number of Honor Roll boys to date is 4,192.
3. David Bremser of Christ the King school was selected as one of this year's Honor Roll boys prior to his tragic death. Present Wednesday to accept David's award will be his best friend, William Heebner.
4. There is an Honor Roll program in Christchurch, New Zealand, patterned after the one in Omaha. This came about because Rotarian Charles Taylor of Christchurch visited our Club on Honor Roll day some years ago and was so impressed with the program that he induced the Rotary Club of Christchurch to adopt a similar program.
5. Rotarians who once were Honor Roll boys: Harold Andersen (Vice-President, The World-Herald)—George Cockle (Manager, Cockle Printing Co.)—Kenneth Kampfe (Manager, Paul A. Willsie Co.)—Robert Knapp (Vice-President, Omaha Box Co.)—Bill McBride (Manager, WOW-TV)—Dr. Eugene Merchant (Dentist)—Thomas F. Naughtin, Jr. (President, T. F. Naughtin Co.)—Walter W. Newcomer, Jr. (Partner, Missouri Casket Co.)—Myron Olson (Vice-Pres. & Treas., Olson Bros., Inc.)—Charles E. Peterson, Jr. (Vice-President & Secretary, Byron Reed Co., Inc.)—Dr. Colin Schack (Physician)—Willis A. Strauss (President, Northern Natural Gas Co.)—Yale Trustin (Manager, Trustin Mfg. Co.). It was with sadness that we deleted, just the other day, the name of the late Karl Joens who was Assistant General Manager of the Omaha Public Power District.
6. Our speaker Wednesday, MAJOR GENERAL JOHN C. MEYER, is America's greatest living air ace. He has had a distinguished career in the service of his country both in war and peace, has been decorated by several governments for his heroic deeds in World War II and the Korean conflict, is a command pilot and has flown 231 combat missions—and now is Deputy Director of Plans, Strategic Air Command, Offutt AFB. We are indeed grateful for the privilege of having him as our Honor Roll speaker.

THE OBJECT OF ROTARY

To encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity for service;

Second: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian of his occupation as an opportunity to serve society;

Third: The application of the ideal of service by every Rotarian to his personal, business and community life;

Fourth: The advancement of international understanding, good will, and peace through a world fellowship of business and professional men united in the ideal of service.
