THE OBJECT OF ROTARY

To encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity for service;

Second: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian of his occupation as an opportunity to serve society;

Third: The application of the ideal of service by every Rotarian to his personal, business and community life;

Fourth: The advancement of international understanding, good will, and peace through a world fellowship of business and professional men united in the ideal of service.

There are 653,000 Rotarians . . . in 13,640 Rotary Clubs

. . . in 145 Lands.

YOU HAVE WHAT IT TAKES!

Figure it out for yourself, my lad,
You've all that the greatest of men have had;
Two arms, two hands, two legs, two eyes,
And a brain to use if you would be wise,
With this equipment they all began—
So start from the top and say, "I can."

Look them over, the wise and the great,
They take their food from a common plate,
And similar knives and forks they use,
With similar laces they tie their shoes;
The world considers them brave and smart,
But you've all they had when they made their start.

You can triumph and come to skill,
You can be great if you only will;
You're well equipped for what fight you choose,
You have arms and legs and brain to use;
And the man who has risen great deeds to do
Began his life with no more than you.

You are the handicap you must face,
You are the one who must choose your place.
You must say where you want to go,
How much you will study the truth to know;
God has equipped you for life, but He
Lets you decide what you want to be.

Courage must come from the soul within
The man must furnish the will to win.
So figure it out for yourself, my lad,
You were born with all that the great have had;
With your equipment they all began,
Get hold of yourself and say, "I can."

THE ROTARY CLUB OF OMAHA

ANNUAL HONOR ROLL LUNCHEON

Speaker

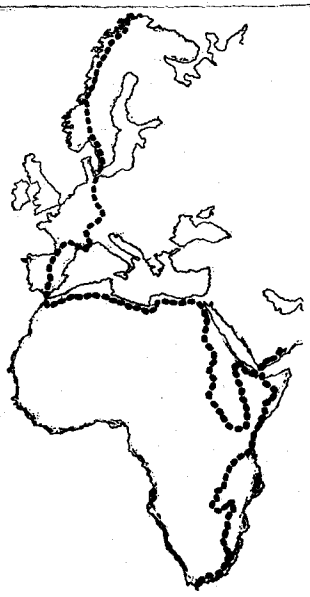

Danny Liska

Globe-trotting Adventurer

A Dynamic Speaker

tells his story informally with rare wit and candor

Danny takes his audience with him on a 15-month, 40,000-mile motorcycle journey from the northernmost cape of Norway to the southern tip of Africa. The breath-taking sharpness of the color filmed with Danny's Leicas takes one to a reindeer roundup in Lapland, behind the Iron Curtain of Czechoslovakia, along the camel caravan routes of the African Sahara and behind the "Veil of Arabia" to view Arab life, mosques and harems and scenes seldom viewed by strangers. After leaving Egypt, Danny and his wife Arlene journeyed to the source of the Nile and into darkest Africa.

The major part of Danny's story was filmed among the more primitive tribes of Africa, to tell a story of Voodoo magic, of strange cults and customs, of witch doctors and the mad abandon of Africans dancing to the hypnotic throb of jungle drums.

The vividness of wild animals filmed upon the African veldt and spectacular views of mountains, jungle, the fantastic falls of the Zambezi, will be a conversation piece for a long time among those who have attended the Danny Liska African Adventure Program.
