THE OBJECT OF ROTARY

To encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity for service;

Second: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian of their occupation as an opportunity to serve society;

Third: The application of the ideal of service by every Rotarian to their personal, business and community life;

Fourth: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional men and women united in the ideal of service.

THE FOUR WAY TEST OF THE THINGS WE THINK, SAY OR DO

First: Is it the truth?
Second: Is it fair to all concerned?
Third: Will it build goodwill and better friendships?
Fourth: Will it be beneficial to all concerned?

CRITERIA FOR SELECTION OF HONOR ROLL & SCHOLARSHIP STUDENTS

- LEADERSHIP
- CHARACTER
- SCHOLARSHIP
- PRESENCE

*Dr. Jennifer Braaten has spent her career in education, starting as a high school history and sociology teacher. Upon earning her master's degree, she began her career in higher education teaching sociology and history at Palm Beach Community College, Florida, Atlantic University and College of Boca Raton, Florida. In 1988, she joined Lynn University as SACS Self-Study Director as the University pursued reaccreditation. In 1989, she was named academic dean at the University, and in 1991, provost and vice president for academic affairs.

In seeking a college presidency, Braaten said she sought a place with the spiritual dimension as part of its mission. In 1999, Dr. Braaten accepted the position of President of Midland Lutheran College. Her feelings "A liberal arts education is absolutely essential and with the Christian base, it is even more powerful. The liberal arts excite and transform students as they are challenged to reach into their core. The liberal arts speak to fundamental human aspects."
