_____ Project summary: -

Grants will be only made to organizations and projects dedicated to enhancing health, education, economic empowerment, and community development and must meet the following criteria.

1. Grant projects, programs must demonstrate sustainability.
2. Grantees must agree to oversight for projects and finances where deemed appropriate by the Rotary Club of Edina Board of Directors.
3. It is preferable for all grant requests to have a Rotarian connection; preferably with the Rotary Club of Edina and/or its members.
4. For all grants, it is desirable that grants should be made in collaboration with other Rotary clubs, nongovernmental organizations, or similar organizations to maximize the scale, scope, and impact of the proposed project.
5. The Edina Rotary Foundation does not fund operating expense, land purchase, building construction, staff compensation (including interns), travel expenses, political activities/campaigns, and religious activities.

Please review, reference past Edina Rotary Foundation giving and Rotary International's grants for scope of Matching Grants and smaller, individual grants, available at www.edinarotary.org, International Programs.
