Please complete each section below and email to mueller.kara@slpschools.org: The deadline to register April 18.

Questions, contact Kara Mueller, or 952-928-6187 Thank you!

Our Annual Career Expo is a highly interactive "Career Exploration Event" providing high school students an excellent opportunity to connect with business & industry. This collaborative event provides information and experiences to students so they will better understand the educational and employment opportunities in our region. Business and industry participation is a CRITICAL component for this economic development event.

Career Expo Objectives for Students:

- To gain information about careers and educational options by attending interactive sessions.
- To investigate career options that align with their skills and interests.
- To improve job seeking skills and understanding of what employers need.
- To become more aware of career opportunities.
- To explore non-traditional careers.
