Join over 1.2 million Rotarians worldwide in connecting people, transforming communities, and solving problems. Through Rotary you can build new relationships, make a difference for the environment, and develop leadership skills.

The Twin Cities EcoClub is an exciting opportunity to start a new and different kind of Rotary club devoted to environmental issues. As a charter member, you can help form the club culture, establish unique traditions, and set service priorities that bring Rotary into your life in a way that works for you.

"Service Above Self"

"Protecting the environment and curbing climate change are essential to Rotary's goal of sustainable service. The time is long past when environmental sustainability can be dismissed as not Rotary's concern. It is, and must be, everyone's concern."

Rotary International President Ian Riseley
