Re: Financial donation to support advanced prosthetic care of Ukrainian families in need

Dear Yakov, it is our honor and privilege to present the attached gift of \$500 from our 3 Rotary Clubs in Rochester, MN and the White Bear Lake Rotary Club as a small token of appreciation and support for the very special expertise and logistics provided by Protez Foundation to those Ukrainian soldiers and their families impacted by the ongoing complex humanitarian conflict. The dedication to whole person and whole family/community caring shown by you and your extended care network is a tribute to the values we aspire to hold true and ennobling as Rotarians, locally and globally. May we also wish you a very successful 1st anniversary to your Ukraine response (since May 2022)!

With sincere appreciation, gratitude, and best wishes going boldly forward,

Ashok Patel, MD

Pulmonary-Critical Care Medicine
Mayo Clinic, Rochester MN USA
