Silent and Live Auction and Raffle Drawing

Thursday, May 1, 2008

6:00 – 10:00 p.m. (no noon meeting)

Ramada Hotel & Conference Center

Each member is asked to donate an item valued at \$50 or more to be auctioned at the silent or live auction. Complete the donation form on **page four** of this newsletter and submit by April 4. Donated items should be delivered by April 16. Invitations are in the mail and also available on **page five** of this newsletter!

Why does our club hold an auction?

The answer is simple - to raise funds for several worthwhile projects. Our club holds this auction every other year with this year being our fourth adventure. In 2006, the auction raised \$28,000! While this is truly an amazing amount, we are confident we can reach this year's goal of raising \$30,000!

Funds raised from the auction will benefit the STRIVE program, Youth LINC, World Relief Service and the Southeast Minnesota Flood Relief (park/youth-related).

LOOKING BACK IN THE MOCCASIN FLOWER

March 1958

Our program title, “Parking – Local & National Problem.” Glenn Miller displayed our new club flag and will, with the aid of Ernie Schlitgus, explain the significance of its symbols. We had 64 visiting Rotarians.

FAST FOR HOPE – DISTRICT PROJECT

During 2007, two delegations of Rotarians from our district traveled to Nicaragua in order to further determine if Nicaragua met the selection criteria of the task force and to begin to explore Fast for Hope opportunities in Nicaragua.

After visiting a variety of opportunities, our District has initially selected the Masaya Rotary Club and the village of Las Cortezas to work with. Masaya is about 30 miles from Managua and Las Cortezas is a village of about 1,225 residents, most of whom live in extreme poverty. There is currently no other nongovernmental organization doing work there.

There are two significant differences between this year's Fast for Hope effort and efforts in prior years.

1. That we are focusing on one village, but rather than tackling one project our objective is to simultaneously address the myriad of factors which are interconnected and that cause extreme poverty. It is our conviction that by helping Las Cortezas with the broad range of interconnected issues they will be able to extract themselves from extreme poverty.
2. That while we can assist and inspire, the villagers themselves must identify their needs and potential solutions. This becomes extremely challenging in a community where because generation after generation has lived in extreme poverty, the villagers have come to believe that living in extreme poverty is a condition that they are destined to experience the rest of their life. It is very difficult to teach people how to identify what they need to do and can do to change this condition, when their entire effort and focus in on surviving to the next day. Yet it has to be done in order for this effort to be effective.

These two elements in combination form the cornerstone of sustainable community development.

ROTATION DAY – APRIL 17

PLEASE LET LOIS KNOW IF YOU CAN HOST OR IF YOU CANNOT ATTEND ROTATION DAY!

What happens on Rotation Day?

All members either host or are assigned a place to go for lunch. This goes back to the early days of Rotary when Rotarians rotated their meeting site each week. It gives you the opportunity to get to know each other a little better and find out about your host's occupation.

What is the Host's Responsibility?

Hosts sign up and give the number of members they would like to accommodate for lunch. This can vary from a minimum of six to whatever number you have room for. Hosts are given a list of names to host, and they invite their guests - giving directions, etc. They order lunches. All members have already paid for their Rotation Day lunches with their dues so all the host has to do is submit a billing to the office for the lunches.

During the meeting time, 12 – 1:30 p.m. – members can introduce themselves and the hosts can tell about their occupation and in some cases go on a tour of their facilities. They take attendance and turn it in to the office.

What to Those Attending Do?

First and foremost, **respond to the host**, let them know you are attending so they can order lunches and prepare for you. For those of you that have email, you will probably hear that way.

What if I Cannot Attend?

Please let us know you are not planning to attend so we don't assign you. If you have not heard where to go by noon the day before the Rotation Day, please call the office at **252-0085**.

PAST PRESIDENT RICK LIEN

Rotary Board Member

The "past president" serves on the Rotary board for one year. During the year, the principle responsibility of the "past president" is one of working and supporting fund raising efforts for the Rotary Foundation. Focusing on foundation matters is essential, since the funds raised are the "life blood" of Rotary at the local, district, and international levels.

The other responsibilities of the "past president" are to facilitate the flow of information between past and future leadership and to add counsel on board matters.

Serving on the board has been a stimulating, interesting, and rewarding experience. The board, like most other Rotary activities, is comprised of people who are committed to service. It has been, a privilege and pleasure to serve.
