The Rochester Rotary Clubs' STRIVE Program Banquet will be held at the International Event Center on Wednesday, April 30, 2014 from 5:30PM-9:00PM. Mr. Darin Brown will serve as keynote speaker.

Sponsored by Rochester's three Rotary clubs, STRIVE is a mentorship program for students in the Rochester

Public Schools. The primary purpose of STRIVE is to help students refocus on academic achievement as they prepare to finish high school.

The year-end STRIVE banquet celebrates the culmination of these endeavors. Each of the students are given a "goodie" bag and we are asking each Rotarian to contribute to these. It can be pens, pencil, gift certificates or similar items but we will need 70 of each item. We are also seeking cash donors to the STRIVE program to help fund the program and the banquet.

Anything you can do to make this banquet and program a success will be greatly appreciated.

For information, visit the [STRIVE Web site](#).

CHANNEL ONE BACKPACK PROGRAM

Thank you so much for your...donation to Channel One Food Bank and Food Shelf in support of the Backpack Program, which was received on March 14, 2014.

Every day, more and more children struggle with hunger. Thanks to you, a student in Rochester will have breakfast, lunch, and snacks throughout the weekend, ending anxiety and uncertainty around where they will get their next meal. On their behalf, thank you for your generous gift.

For more information on how you can support Channel One, including donation, volunteer and advocacy opportunities please visit www.helpfeedpeople.org. Thank you again for your commitment to helping feed people in need.

We are grateful to the Rotary US Bank Holiday Classic for your generous support of the Backpack Program!

Sincerely,
Jennifer Woodford, Executive Director, Channel One

thank you!

MAYO HARDWOOD CLUB

On behalf of Mayo High School, thank you for the generous \$1000 check! This check is needed and will be used to enhance our basketball programs, equipment, etc. Thank you, also, for inviting me to the lunch again to accept the check. This was the second year I attended, and I have enjoyed meeting new Rotarians each year. I have been made to feel very welcome!

Personally, the Rotary Holiday tournament is a big part of my family's Christmas break. We have loved the tourney since moving here 7 years ago.

Again, THANK YOU VERY MUCH from Mayo HS!!

Susan Lundquist
Mayo HS Hardwood Club

P.S. Like the story Coach LaPlante told, I believe – each year – our BB program at Mayo positively affects young men/women who we are able to help play ball because of donations like this. The positive impact of being part of a team has been crucial for them.

LEAD. GROW. SUCCEED.

HISTORY OF WOMEN IN ROTARY

Taken from <https://www.rotary.org/myrotary/en/history-women-rotary>

“The 1989 Council on Legislation vote to admit women into Rotary clubs worldwide remains a watershed moment in the history of Rotary.

‘My fellow delegates, I would like to remind you that the world of 1989 is very different to the world of 1905. I sincerely believe that Rotary has to adapt itself to a changing world,’ said Frank J. Devlyn, who would go on to become RI president in 2000-01.

The vote followed the decades-long efforts of men and women from all over the Rotary world to allow for the admission of women into Rotary clubs, and several close votes at previous Council meetings.

The response to the decision was overwhelming: By June 1990, the number of female Rotarians had skyrocketed to over 20,000. By 2010, the number of women was approaching 200,000.

Timeline of Women in Rotary

1950 - An enactment to delete the word “male” from the Standard Rotary Club Constitution is proposed by a Rotary club in India for the Council on Legislation meeting at the 1950 RI Convention.

1964 - The Council on Legislation agenda contains an enactment proposed by a Rotary club in Ceylon (now Sri Lanka) to permit the admission of women into Rotary clubs. Delegates vote that it be withdrawn. Two other proposals to allow women to be eligible for honorary membership are also withdrawn.

1972 - As more women begin reaching higher positions in their professions, more clubs begin lobbying for female members. A U.S. Rotary club proposes admitting women into Rotary at the 1972 Council on Legislation.

1977 - Three separate proposals to admit women into membership are submitted to the Council on Legislation for consideration at the 1977 RI Convention. A Brazilian club makes a different proposal to admit women as honorary members.

The Rotary Club of Duarte, California, USA, admits women as members in violation of the RI Constitution and Standard Rotary Club Constitution. Because of this violation, the club's membership in Rotary International is terminated in March 1978. (The club was reinstated in September 1986.)

1980 - The RI Board of Directors and Rotary clubs in India, Sweden, Switzerland, and the United States propose an enactment to remove from the RI and club constitutions and bylaws all references to members as “male persons.”

1983-86 - In a lawsuit filed by the Duarte club, the California Superior Court in 1983 rules in favor of Rotary International, upholding gender-based qualification for membership in California Rotary clubs. In 1986, the California Court of Appeals reverses the lower court's decision, preventing the enforcement of the provision in California. The California Supreme Court refuses to hear the case, and it is appealed to the U.S. Supreme Court.

1987 - On 4 May, the U.S. Supreme Court rules that Rotary clubs may not exclude women from membership on the basis of gender. Rotary issues a policy statement that any Rotary club in the United States can admit qualified women into membership.

The Rotary Club of Marin Sunrise, California (formerly Larkspur Landing), is chartered on 28 May. It becomes the first club after the U.S. Supreme Court ruling to have women as charter members.

Sylvia Whitlock, of the Rotary Club of Duarte, California, becomes the first female Rotary club president.

1988 - In November, the RI Board of Directors issues a policy statement recognizing the right of Rotary clubs in Canada to admit female members based on a Canadian law similar to that upheld by the U.S. Supreme Court.

HOW SOUTH-EAST ASIA BECAME POLIO-FREE

Rotary staff, March 27, 2014, <http://blog.rotary.org/2014/03/27/seapoliofree/>

“The Global Polio Eradication Initiative (GPEI) today will declare the South-East Asia region of the World Health Organization as polio-free, an important milestone in the worldwide effort to eradicate polio. The 11 countries in the region — Bangladesh, Bhutan, Democratic People’s Republic of Korea, India, Indonesia, Maldives, Myanmar, Nepal, Sri Lanka, Thailand, and Timor-Leste — are home to 1.8 billion people and represent the fourth of six regions worldwide to be officially certified polio-free.

This landmark didn’t just happen on its own, but embodies a lot of hard work by many dedicated volunteers. We recently contacted chairs of National PolioPlus Committees in the region to learn how their countries became polio-free and how Rotary took part in the process. The results were enlightening.

Sri Lanka - In Sri Lanka, N. R. Gajendran shared how a cease fire was negotiated in the Sri Lankan Civil War, called “the days of tranquility,” so that immunizations could be carried out across the country. The government had planned to do a National Immunization Day (NID) only in areas not impacted by the war, which meant about a third of the country’s children would not be vaccinated.

But after consulting with UNICEF, Rotary leaders and UNICEF established contact with the rebel party, the Liberation Tigers of Tamil Eelam, who still controlled some areas of the country, to pursue a cease fire. The rebel leader responded that if Rotary and UNICEF could persuade the government to stop the war for two days, they would be willing to lay down their guns too. “Our war is not with the children,” a letter from the rebel leader stated. Consequently, the immunization efforts reached approximately 95 percent of the country, and were conducted in about 5,000 midwife areas and 10,000 centers.

Subsequent NIDs became days of tranquility. Colombo proved to be the most challenging area, but with Rotary’s support, children typically not accessible to government care workers were reached. The last confirmed case of polio in Sri Lanka was in 1993.

Bangladesh - Salim Reza, who had been on the Bangladesh Rotary Polio Committee for 20 years, said the biggest challenge to his country becoming polio-free was ignorance, a lack of education, and poverty. Awareness programs supported by Rotary, WHO, and UNICEF led to a greater awareness of polio eradication and a much increased participation in National Immunization Days. The most recent immunization day had a 99 percent rate of coverage.

Most Rotarians actively participate in the Immunization Days, and the national committee has worked together with the government since the start of the program, along with WHO and UNICEF. Through TV and radio, efforts are made to reach out to children who need to be immunized. Seminars are also arranged in different parts of Bangladesh.

Nepal - Ratna Man Sakya shared how in Nepal, mobilizing health workers, securing commitments from political leaders, and organizing volunteers all over the country helped combat significant challenges. These included the rugged geographic terrain, a shortage of manpower, and a large reservoir of wild polio virus across the border in India. Nepal held its first National Immunization Days in 1996. The last indigenous case of wild polio virus was detected in 2000. Sakya noted the biggest success story is how Rotary, the Government of Nepal, WHO, UNICEF and other supporting agencies have been working hand in hand to eradicate polio in the country and keep it polio-free.”

VALUED ASSOCIATES DAY is April 24 and Rotarians are encouraged to invite their valued associate(s) to attend our Rotary meeting at Holiday Inn Downtown. This event provides the opportunity to show your appreciation for your co-workers, fellow volunteers, or friends and to share with them part of your Rotary experience. Our program that day will be presented by Senator Amy Klobuchar if the legislative session allows. If not, we will hear “My Book Day” presented by McKinsey Goodenberger. If you plan to invite a guest for Valued Associates Day, please sign up during April online or at one of our Thursday meetings. The club would appreciate knowing who our special guests will be so we can welcome them with a prepared nametag.

HISTORY OF WOMEN IN ROTARY *continued from page 6*

1989 - At its first meeting after the 1987 U.S. Supreme Court decision, the Council on Legislation votes to eliminate the requirement in the RI Constitution that membership in Rotary clubs be limited to men. Women are welcomed into Rotary clubs around the world.

1990 - As of June, there are about 20,200 female Rotarians worldwide. The Rotarian runs a feature on women in Rotary.

1995 - In July, eight women become district governors, the first elected to this role: Mimi Altman, Gilda Chirafisi, Janet W. Holland, Reba F. Lovrien, Virginia B. Nordby, Donna J. Rapp, Anne Robertson, and Olive P. Scott.

2005 - Carolyn E. Jones begins her term as the first woman appointed as trustee of The Rotary Foundation.

2008 - Catherine Noyer-Riveau begins her term as the first woman elected to the RI Board of Directors.

2010 - More than 199,000 women are members of Rotary clubs worldwide, with an increasing number serving as district governors.

2012 - Elizabeth S. Demaray begins her term as treasurer, the first woman to serve in this position.

2013 - Anne L. Matthews begins her term as the first woman to serve as RI vice president."

The Rotary Club of Rochester continues to grow its percentage of women in membership. Marilyn Stewart served as the club's first female president in 1996-97, and since then Hilla Ferguson, Kim Adams, Karel Weigel, and Lorie Luedke have served presidencies, as well. "Rotary International recognizes the value of diversity within individual clubs. A club that reflects its community with regard to professional and business classification, gender, age, religion, and ethnicity is a club with the key to its future."
