# ROTARY COMMUNITY GRANT THANK YOU'S

"We are very grateful for your generous donation...to the Reading Center received at your Holiday Classic awards banquet on March 10, 2016. Your donation is an investment in the future of the hundreds of children served by the Reading Center every year who struggle due to dyslexia.

The Reading Center has been an amazing resource in our community for almost sixty-five years. By educating parents and teachers about dyslexia, we help identify students who are not meeting their greatest potential in school. By providing the gold-standard of Orton-Gillingham training, we ensure that future generations of students have access to an O-G Therapist who know how to help. And through testing and tutoring, children and adults who struggle to read learn how to unlock his or her potential.

You can be assured that the Reading Center handles your donation with accountability, because we follow the best practices endorsed by the Charities Review Council (<a href="www.smartgivers.org">www.smartgivers.org</a>).

Thank you for supporting the mission of the Reading Center. You give children the opportunity to achieve success in school and in life. Together we are building confidence, inspiring hope and enhancing success."

Gratefully, Cindy Russell Executive Director, The Reading Center

"Thank you so much to all our friends from the Rochester Rotary for the...donation to the Channel One Regional Food Bank Backpack Program from the Rochester Rotary Holiday Classic. We received your check on March 15, 2016.

Every day, more and more children struggle with hunger. Thanks to you, a student in Rochester will now have breakfast, lunch and snacks throughout the weekend, ending anxiety and uncertainty where they will get their next meal. On their behalf, thank you for your generous gift.

For more information on how you can support Channel One, including donation, volunteer and advocacy opportunities, please visit <a href="https://www.helpingfeedpeople.org">www.helpingfeedpeople.org</a>.

Thank you again for your commitment to helping feed people in need."

Sincerely, Jennifer Woodford Executive Director, Channel One

"On behalf of the entire GATEway Science Fair planning team, I want to thank you for The Rotary Club of Rochester's (sic) generous grant donation...which we received last spring and used to help fund the 2016 GATEway Science Fair. We had near record attendance with a total of 249 students, from twenty different public schools in Rochester and surrounding areas, exhibiting their projects. Each student received feedback and encouragement from three of the many scientific professionals who volunteered to review the projects. The students and their families were also treated to the Science Museum of Minnesota's presentation on the topic of the water cycle and water conservation. Satisfaction feedback from the families was overwhelmingly positive.

Thanks to you and our other partners and donors, each student received a t-shirt, a certificate of participation, a program, and a wonderful sense of being recognized for his or her personal efforts and scientific accomplishments. We have enclosed a copy of the program acknowledging your contribution.

We deeply appreciate your partnership with us in this project that nurtures the love of science in the children in our community. We look forward to the possibility of partnering with you again in a future year."

Sincerely,
Dee Voldal

# ROTARY COMMUNITY GRANT THANK YOU'S continued

"On behalf of the students and mentors of the FIRST Robotics Team 2530-Inconceivable, I would like to thank the Rotary Clubs of Rochester for supporting our program, with a donation...for travel expenses for the Wisconsin Regional Competition. With your support, we are looking forward to attending this first competition of the season!

I also appreciate the opportunity to present information about our team at the Rotary Awards Luncheon and enjoyed meeting so many dedicated members of the Rotary Clubs. ### What is Camp RYLA?

"Camp RYLA (Rotary Youth Leadership Awards) is a five-day camp which strengthens leadership skills and capabilities of high school students through physical, mental, emotional, and intellectual challenges. There is an emphasis on problem solving, teamwork, and interaction with other outstanding students and volunteer counselors and presenters.

#### What are the benefits?

At RYLA, students gain insight into:

- Leadership basics

For more information, visit Camp RYLA.

A Rotarian is needed to drive the four students, leaving from Park Place Motors Cars on Friday, April 22 at 3:30 PM, to Camp RYLA at YMCA Camp St. Croix, 532 County Rd F in Hudson, WI. If you are available and willing to transport the students, please contact Rotarian and our club's Camp RYLA program chair Dana Funk who shares, "This is a great opportunity to meet the students and see Camp RYLA in action."

# THE KEY TO A SUCCESSFUL MULTI-GENERATIONAL ROTARY CLUB

By Emmanuel Rey, a member of the Rotary Club of Villa Devoto, Argentina

March 29, 2016, (http://blog.rotary.org/2016/03/29/the-key-to-a-successful-multi-generational-rotary-club/)

In 20 years as a member of the Rotary family, I have learned much. I began my Rotary journey as a member of Interact when I was 12, and six years later moved on to Rotaract. After passing the maximum age of 30 for that program, I proudly became a member of my Rotary club two years ago.

At first, I dreamed of building a big and youthful Rotary club, especially as I observed how hard it was for my fellow Interactors and Rotaractors to bridge the generation gap and become members of Rotary. But while I was still a Rotaractor, an old friend of mine gave me a new perspective. He said, "When I'm 30, I'm going to join a Rotary club with older people, to be the link with young people."

# Membershíp díversíty strengthens Rotary clubs.

My friend kept his promise, and his words still ring in my mind. I have come to the conclusion that "youth is not a number, it is a state of mind," as one of my Rotary mentors, Enrique Blaistein, taught me. A club is not young by the age of the people it comprises. It is young by the characteristics exhibited by its members, such as dynamism, resiliency, strength, and a desire to work. In other words, the youth of a club is not the average age of its members, it is the spirit with which they work.

Membership diversity strengthens Rotary clubs. I had the luck to join the Rotary Club of Villa Devoto and I have friends who are in their 70s. We've been able to break down generational barriers and work together, learn from each other, join forces, and pool our knowledge to serve Rotary and enhance our personal and professional lives.

I have come to the conclusion that effective clubs are clubs that find a way to blend the knowledge and experience of older members with the strength and drive of younger members. This is the greatest challenge facing Rotary as an organization, and the success of any club depends on how well they do this.

# APRIL IS MATERNAL AND CHILD HEALTH MONTH

Rotary has six areas of focus, one of which is maternal and child health. In April, Rotarians are encouraged to educate themselves about this area and to participate in Rotary's efforts to "maximize our local and global impact."

"At least 7 million children under the age of five die each year due to malnutrition, poor health care, and inadequate sanitation. To help reduce this rate, we provide immunizations and antibiotics to babies, improve access to essential medical services, and support trained health care providers for mothers and their children. Our projects ensure sustainability by empowering the local community to take ownership of health care training programs." # ROTARIANS WILL CELEBRATE VALUED ASSOCIATES DAY ON APRIL 28
