October 27, 2023

Dear Rotary Club of Rochester Foundation,

Thank you for your generous donation of \$2,650.00 to support the Cradle to Career Education Summit. Your donation has been applied to the *Cradle to Career Fiscal Fund* held at Rochester Area Foundation.

Since 1944, Rochester Area Foundation, along with many other community foundations across the nation, has embraced the leadership responsibility to move beyond just building assets to building communities. Through the dedication and generosity of our donors, our Foundation has grown into a strong, innovative, and far-reaching institution. With your partnership and investment, RAF has and will continue to serve our area communities by promoting local philanthropy and embracing the power of collaboration. We will continue to shed light on local needs through leadership that brings people together to achieve meaningful, results-oriented impact in our communities. Thank you for choosing Rochester Area Foundation for your philanthropic partner!

As with all gifts to the Foundation, yours is fully tax deductible and we confirm you did not receive anything of value in exchange for this gift. It is also our responsibility to inform you Rochester Area Foundation has exclusive legal control over the contributed assets. If you have any questions about your gift, please feel free to contact the Rochester Area Foundation at 507-282-0203.

Sincerely,

Jennifer Woodford
President

Thank you for this gift
and for ALL the ways that
Rotary supports the work of
Cradle 2 Career!

Better Communities for ALL Since 1944
