Dear Elizabeth and Rotary Friends,

Thank you for taking action to invest in JP families. Your gift of \$1,000.00 from the Holiday Classic Tournament to JP Rochester-SE MN supports our partnerships with single mothers and their children as they pursue their educational, career, and life goals and chart a path toward economic mobility.

Your gift makes an incredible difference. We believe that no mother should have to choose between investing in herself and her children. We could not continue to invest deeply in JP families without the support of mission-driven individuals like you. "Supportive Community" is a pillar of Jeremiah Program. As Valerie, one of our JP Moms, said in an essay she wrote:

*"Over the last few years, the community at Jeremiah Program has taught me that ... collectively, we can make our community a place where support and hope are available to each one of us."*

Empowered moms are the future, and we are proud to help build a movement with moms front and center. Thank you for joining the movement.

With deep appreciation for your belief and investment,

Ally Hanten Ebert  
Executive Director

  
Elizabeth Dorn  
Director of Development
